

# EMPLOYMENT TRIBUNALS

**Claimant:** Ms J Moss

**Respondent:** BUPA International Services Ltd

## JUDGMENT

The Claimant's application dated 6 December 2017 for reconsideration of the judgment sent to the parties on 22 November 2017 is refused.

## REASONS

There is no reasonable prospect of the original decision being varied or revoked because the Claimant has not established the grounds for making of a costs order and the fact remains that the Claimant lost the vast majority of her claims and had been offered more than she eventually recovered.
