<b>Amendment Classification (As per MAA SOP 20 Matrix)</b>	<b>Novel/Contentious (2*)</b>	<b>Publishing Requirements:</b>	On 19 Jan 15
--	-------------------------------	---------------------------------	--------------

**AUTHORIZED AMENDMENT**

- This NAA covers the publication regulations derived consequent of the MAA's review of RPAS regulations, previously distributed under cover of MAA/RN/2014/06.
- RA 1120 is updated to reflect the introduction of RPAS categorization.
- RA 1600 introduces a modified and scalable classification system to RPAS systems allowing greater flexibility in the application of regulations. This ensures appropriate and proportionate regulation to ensure the platforms are safe to operate and operated safely.
- RA 2130 and RA 2310 incorporate minor amendments specific to RPAS operation.
- RA 4050 defines the responsibility and requirement for continuing airworthiness requirements of RPAS.
- RA 5002 addresses the responsibility and authority for design and modification of RPAS through either Service or contractor organizations.
