Deviations

Well Trajectory Data	
Data item	*Values and Notes*
Measured Depth	MD along hole relative to MD Datum
Inclination Angle	Inclination in degrees
Azimuth Angle	Azimuth in degrees not > 360.
X Position	X position, given in Well Trajectory Header 'XY units'
Y Position	Y position, given in Well Trajectory Header 'XY units'
Z Position	Z position, given in Well Trajectory Header 'Z units'
Algorithm Name	Name of interpolated algorithm used for calculated values.
