[Redacted]

Dear [Redacted],

I got your name of  
the consultation on the website.  
I don't know why deaf people don't  
get any benefits apart from the credit  
if they work.  
If I have mental illness I can  
be in bed for a week or more. Whilst  
in work I can claim sick pay.  
If you change the benefit system, or  
I lose my job, and I am off sick  
with mental illness I won't have any money  
to live on. Do you think this is fair.  
Other people with chronic illness & depression  
obviously get plenty of help on the sick.  
With your new proposals for change

IN BENEFIT, THE NEW P.A.P. WILL ONLY BE  
GIVEN TO PEOPLE IN NEED OF PERMANENT  
H.A.P.

DEAR PEOPLE WITH MEMBERS NEED SOME  
MONEY TO LIVE ON. WE HAVE BILLS TO PAY,  
WORKING OR NOT.

I HAVE TO PAY BUS FARE NOW THEY HAVE  
TAKEN AWAY OUR FREE BUS FARE IN THE  
MORNING. WORKING OR NOT I STILL HAVE TO  
TRAVEL BY BUS TO DO MY SHOPPING, AND  
STILL HAVE TO PAY FOR MY EVENING CLASSES.

IF I HAD NO JOB I WOULD NEED MOBILITY  
ALLOWANCE TO PAY FOR MY BUS FARE AND  
EVENING CLASSES. ALL MY ASSETS ARE TIED UP  
IN USA ACCOUNTS SO NOT ACCESSIBLE.

MY BODY CAN PLAY DISABLED. PEOPLE WITH  
TRANSFERABLE INJURIES GET NOTHING.

THIS IS FAIR. DO YOU? I HAVE WORKED NO  
THING FOR NOTHING.

I HAVE PEOPLE TO DO MY SHOPPING, <sup>COOKING MEALS,</sup> COLLECT MY  
PRESCRIPTION, DO MY WASHING, GO TO THE LIBRARY,  
POST MY LETTERS, <sup>WHICH ARE</sup> ~~IF I~~ <sup>IF I</sup> AM <sup>UNABLE</sup> TO DO. IF I AM  
IN BED I AM ABLE TO MAKE MY OWN MEALS.

THANKS FOR YOUR HELP
