1) The number of individuals that have taken a car theory test with a voiceover (excluding English and Welsh) in each of the last two financial years (2009/10 and 2010/11). Please break this information down by each voiceover (excluding English and Welsh).

The table below shows the number of individuals who have taken a car theory test with a voiceover (excluding English and Welsh) in each of the last two financial years. This information has been broken down by language.

Please note that:-
- If a candidate has taken a car theory test with one particular voiceover three times in 2009/10, they'll be counted once.
- If a candidate took one car theory test with a voiceover in 2009/10 and another one in 2010/11, they'll be counted once in each year.
- If an individual took a car theory test with a Spanish voiceover and then one with a Portuguese voiceover in 2009/10, for example, they'd be counted twice (once under each language).
