Report and Accounts for the Year Ended 31 December 2014

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE PRISON GOVERNORS ASSOCIATION

We have audited the Financial Statements of the Prison Governors Association for the year ended 31 December 2014 set out on pages 7 to 11. These financial statements have been prepared under the historical cost convention and the accounting policies set out on page 6. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

We report to you our opinion as to whether the financial statements show a true and fair view and are properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. We also report to you if, in our opinion, the Association has kept proper accounting records in accordance with section 28 of the Act, whether it has maintained a satisfactory system of control over its transactions and whether the financial statements to which this report relates agree with the accounting records.

RESPECTIVE RESPONSIBILITIES OF MEMBERS AND THE AUDITOR

As described in the National Executive Committee Report, the Members of the Committee are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of; whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Members of the Committee; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

OPINION

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs at 31 December 2014 and of its excess of income over expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 and the Association has kept proper accounting records and maintained a satisifactory system of control over its transactions in accordance with the requirements of Section 28 of the Act.
