

FOI release

Subject

National Register of Social Housing (NRoSH) extract

Date of disclosure

17 May 2013

Request

An extract of information from the National Register of Social Housing NRoSH as held by DCLG. A list of addresses of social housing and details of each property (detached semi-detached etc and number of rooms).

Disclosure

The Department for Communities and Local Government has released a copy of the requested data held by DCLG. A small number of 'sensitive' properties which includes those registered for housing women at risk of domestic violence, ex-offenders and those with HIV/AIDS have been removed from this list.

This data has been published in the interests of transparency and openness and the relevant document is available for download at <http://www.data.gov.uk/dataset/national-register-of-social-housing-nrosh>. If you have difficulty accessing or downloading these files, please email us at webmasterdclg@communities.gsi.gov.uk.
