Information request

Please provide me with a list of (a) all the EU directives your Department transposed into UK law in 2014 and (b) which regulations your Department introduced as a result of EU legislation in 2014.

DWP response

There have been no new EU Directives transposed into UK law in 2014. The following instruments have been made in 2014, which continue the transposition of existing Directives in UK law:

- The Explosives Regulations 2014/1638 (93/15/EEC and 2008/43/EC);
- The Genetically Modified Organisms (Contained Use) Regulations 2014/1663 (2009/41/EC); and
- The Mines Regulations 2014/3248 (92/104/EEC).
