Your consent to the CLA's application to run an ECL scheme

Complete our poll

In order to apply for an Extended Collective Licensing (ECL) scheme, the Copyright Licensing Agency (CLA) must demonstrate that its application is supported by its members and the rightsholders they represent. Therefore, we are asking whether you support this application.

Please refer to our [Frequently Asked Questions](#) on our website to find out more about ECL. If you can't find the answer to your question or if you experience any technical issues with this poll, please email us at ecl@dacs.org.uk. We will aim to respond to you within 3-5 working days.

All responses will remain confidential and will only be used for the purposes of determining whether Payback members support the CLA's application to operate an ECL. For more information please refer to our [privacy policy](#).
