**FREEDOM OF INFORMATION ACT 2000 REQUEST REF: 0780-14**

Thank you for your email of 10 August asking for information under the Freedom of Information Act (FOIA) 2000. You asked:

*Please provide details of the budget for the FCO's 'Jubilee Programme' to cover the period from its inception (believed to be 2012) up to the current financial year.*

*Please also list all requests for civil service exchanges and training made under the Jubilee Programme, for the same time period. For each request please indicate:*

- \*Date of request*
- \*Subject or nature of exchange/training requested*
- \*Overseas Territory concerned*
- \*Status (i.e. whether approved, not approved, pending, etc)*
- \*Cost allocation*

I am writing to confirm that we have now completed the search for the information which you requested.

I can confirm that the Foreign and Commonwealth Office (FCO) does hold information relevant to your request.

The FCO Jubilee Programme was started in 2012 and the budget, per annum, is as follows:

2012/2013	£450,000
2013/2014	£480,000
2014/2015	£435,000

Responsibility for managing this funding is delegated to the Governor's offices in the Overseas Territories. There is no requirement for us to hold records in London as to how

each Territory spends this allocation. However, we do hold this incomplete list of projects that have been approved under the fund, which I hope will be of interest.

In keeping with the spirit and effect of the Freedom of Information Act, all information is assumed to be releasable to the public unless it is exempt. The information we have supplied to you may now be published on our website together with any related information that will provide a key to its wider context.

The information supplied to you continues to be protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including any non-commercial research you are doing and for the purposes of news reporting. Any other re-use, for example commercial publication, would require the permission of the copyright holder. Most documents supplied by the FCO will have been produced by government officials and will be protected by Crown Copyright. You can find details on the arrangement for re-using Crown Copyright information on the [TNA](#) website.

Information you receive which is not subject to Crown Copyright continues to be protected by the copyright of the person, or organisation, from which the information originated. You must ensure that you gain their permission before reproducing any third party (non-Crown Copyright) information.

Yours sincerely,

Strategy Coordination and OT Programme Fund Manager  
Overseas Territories Department
