

Application for Authorisation of Establishments to Export Live Fishery Products – Bi-Valve Molluscs – for Human Consumption to the People’s Republic of China

Guidance for completion

- Please complete application electronically. Incomplete application will not be processed;
- Authorisation is required to export live fishery products – bi-valve molluscs – for human consumption to the People’s Republic of China where use of 7469EHC is applicable;
- 7469EHC must be certified by an Environmental Health Officer (EHO) of the Local Authority or an Official Veterinarian (OV);
- A register of EHOs/OVs authorised to certify 7469EHC must be maintained and made available to the Chinese authorities upon request;
- Parts 1 and 2 of this application must be completed by the exporter and Part 3 must be completed by the EHO(s)/OV(s);
- To amend Part 3 Stamp Register details, a new application must be submitted. Amended Part 3 Register application details must contain all stamps of EHOs/OVs who may certify consignments. Amended Part 3 Register applications will revoke and replace previously submitted applications;
- Where indicated, Part 3 Register details must be completed in typescript. Additional pages may be used as required;
- Completed applications must be scanned and submitted electronically to: LiveAnimalExports.Carlisle@ahvla.gsi.gov.uk
- Additional advise on export requirements or completion of this application can be obtained from the Live Animal Export Team, Specialist Service Centre for Exports at Carlisle, Tel. 01228 403600 (option 4), LiveAnimalExports.Carlisle@ahvla.gsi.gov.uk
