Dear [REDACTED]

Further to my email of 24 May 2017, unfortunately the incorrect FOI number was quoted on my response, nothing else changes. I am therefore reissuing the response to your email of 9th May 2017 requesting the following information:

For a female Corporal Intelligence Analyst, with 7 years' service:

- *The percentage chance of securing a commission.*

Note: If it isn't possible to provide information this specific, then please provide the percentage chance of any Intelligence Analyst securing a commission

- *The percentage of further service out to 35 years.*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

The information you have requested can be found in the Adobe (.pdf) file attached to the email.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 2nd Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <https://ico.org.uk/>.

Yours sincerely,

Head of Defence Statistics (Air)

Would you like to be added to our contact list so we can consult with you if we are thinking about making any changes to the statistics we compile? Please register your interest by e-mailing defstrat-stat-air@mod.gov.uk

¹ 'LoS x' means 'LoS greater than or equal to x but less than x+1'. So 'LoS21', for example, is the chance of personnel serving more than or equal to 21 years but less than 22 years.

Notes:

a. These data are based on the seven year span of actual data 2010/11 – 2016/17. By considering a cohort of individuals with the similar characteristics - a **female Cpl** in the **Intelligence Analyst** trade with **7 years LoS** - average career projections have been calculated.

b. Defence Statistics' career forecasts are not based on the actual experience of any one individual, but rather are based on the historical behaviour of individuals with similar characteristics.
