This is below the national average.	Requires Improvement	18/11/14	<p><b>Moderate</b></p> <p>Harington's site will be located less than a mile from Rutland County College. Rutland CC received a "Requires Improvement" Ofsted judgment in Nov 2014. Students wanting to access A level courses may now choose Harington rather than Rutland CC. However Rutland CC offers a much wider choice of 16-19 provision, including vocational routes, apprenticeships, basic skills and foundation Learning. Students wanting to access these types of courses will therefore more likely continue to enrol at Rutland CC. The long term viability of this College is unlikely to be significantly affected when Harington School opens.</p>
