Procurement Policy Note: Concession Contracts Threshold

Information Note 04/16 21st April 2016

Issue

1. This PPN provides notification of the threshold level to apply for the purposes of the Concession Contracts Regulations 2016 with effect from 18th April 2016.

Dissemination and Scope

2. This PPN applies to all contracting authorities and utilities, as defined by the Concession Contracts Regulations 2016. This includes all central government departments, their Executive Agencies, Non-Departmental Public Bodies, Executive Agencies and the wider public sector.

Timing

3. This PPN takes immediate effect.

To Note for Information

4. The threshold for concession contracts is £4,104,394 (€5,225,000).

Background

5. This PPN supplements PPN18/15, which provides a summary of the threshold levels for public contracts, utilities contracts and defence and security contracts from 1st January 2016. As the Concession Contracts Regulations did not come into force until the 18th April 2016 the threshold for concessions was not included in PPN18/15.
6. The European Commission has provided the finalised and agreed threshold values to apply to 31st December 2017.
