

Winners of Post Office Community Enterprise Fund competition

The 25 winning schemes are:

Allendale	Market Place Hexham Northumberland NE47 9AZ	Build a workspace area within Post Office with a public use computer, develop an integrated community website linking different SMEs and community groups, and run training events at the hub to help SMEs and community groups grow their skills and knowledge
Alnwick	Lesbury Alnwick Northumberland NE66 3AX	The winning scheme in Lesbury Post Office in Alnwick will create a new outdoor seating area which will act as a community hub. This will extend the Post Office's current role with the Dementia Friends initiative, where it acts as an informal meeting space to share information and provide support for older, isolated people.
Ambleside	Tourist Information Centre Market Cross Ambleside Cumbria LA22 9BS	The winning scheme in Ambleside will work with LearningPlus, a local self-help group, to increase access to key skills training (literacy, numeracy, IT, and English as a second Language), using activities linked to Post Office products and services.
Andover	Enham Alamein 17 Newbury Road Andover Hampshire SP11 6HH	The winning scheme in Andover will work with parish council and the Enham Trust disability charity to create walled garden to provide accessible community space where disabled residents and those without gardens can improve gardening skills, gain horticultural work experience and learn about healthy eating, with excess produce to be sold in Post Office Village Shop.
Batley	107 - 109 Upper Commercial Street Batley West Yorkshire WF17 5DQ	The winning scheme in Batley will work with local charity to deliver key skills and IT training for disadvantaged, including older people and children, utilising space in the branch during non-opening times/days.
Birmingham	149 Alcester Road Birmingham West Midlands B13 8LH	The winning scheme in Moseley will promote the activities of the local Moseley Community Development Trust. Locals will be able to find out about services and offers through notice boards, merchandising, and screen advertising. The scheme will also work with Moseley CDT to launch a competition for young people to develop a new social enterprise, and support for the winner to set it up.
Brampton	West Hall SAS Tincastle Brampton Cumbria CA8 2EH	The winning scheme in Brampton will provide a new computer with Internet access for local community groups in the West Hall village hall where Post Office services are currently provided. This will enhance the village hall's role as the only community hub for Brampton.
Brighton	16 Beatty Avenue Brighton East Sussex BN1 9ED	The winning scheme in the Coldean Post Office in Brighton will open a charity shop and community hub next to the Post Office to offer classes and services. It will be managed by a local group, including the Post Office sub postmaster, who will also offer practical support in running the shop.
Burwell	11 The Causeway Cambridge Cambridgeshire CB25 0DU	The winning scheme in Burwell will create an electronic notice board to advertise and signpost people to local social enterprises, and promote local events and other services. Working with two local social enterprises the scheme will also provide various training and work opportunities for disadvantaged groups.

Camberwell	25 Denmark Hill London Greater London SE5 8RT	The winning scheme in Camberwell Green will establish the Post Office as a community hub with a host of activities to help various local groups in Camberwell. It will offer social media training for SMEs, support for locals to get involved in neighbourhood planning, and an opportunity for local artists to exhibit and network via a pop-up gallery space.
Cheltenham	7 Cleeve Road Cheltenham Gloucestershire GL52 9EW	The winning scheme in Cheltenham will establish IT facility including broadband, PC and IT skills training provided by local community, and a resource centre where elderly people or mothers with young children can learn new craft/hobby skills
Chester	The Bache 17 Mill Lane Chester Cheshire CH2 1BS	The winning scheme in the Bache Post Office will work with local voluntary organisation to develop 'Snow Angels - Altogether Upton' scheme to support for older and vulnerable people in severe weather, by linking them to neighbours, voluntary organisations and public services, both to prevent illness and winter deaths and address social isolation
Doncaster	Youth Centre The Old School House, High Street, Arksey, Doncaster DN5 0SD	The winning scheme in Doncaster will establish a community space in the Post Office for workshops, crafts and other activities, including for the elderly to reduce isolation.
Godshill, Isle of Wight	Ventnor Isle of Wight PO38 3HH	The winning scheme in Godshill will develop the Post Office as community hub and referral service to reduce isolation of older people by extending service to include advice on health/care, local activities/events and support volunteer-led befriending service.
Havant	26 Park Lane Havant Hampshire PO9 3HJ	The winning scheme in Havant will create a free Wi-Fi network around the Post Office for 800 homes to increase digital access and tackle isolation of the local community. It will include a private web portal for the community where they can find out about a range of community-centred features and services.
Hope Valley	42 Main Road, Bamford, Hope Valley Derbyshire S33 0AA	The winning scheme in the Bamford Post Office in Hope Valley will create a community café within the community-owned Post Office, which will act as a hub of activities to bring local residents and businesses together. It will offer space for local artists to display their work, local meetings for businesses and internet access for the community.
Hull	Welwyn Park 804 Beverley Road Hull East Yorkshire HU6 7HD	The winning scheme will refurbish the Welwyn Park Post Office to provide a community meeting space and hub for residents of Hull. It will provide access to IT, support in life and work skills for older people and the vulnerable or unemployed. It will also host arts and crafts workshops for the community.
Laughton Common	5 Hangsman Lane Sheffield South Yorkshire S25 3PF	The winning scheme will work with local organisations – Rotherham United's community programme – to deliver a health and welling activities for older people through using football as a hook. Local Post Office is heavily involved in co-ordinating these activities and assisting in running these programmes.
Leeds, Yorkshire	Broom Estate 23 Broom Place Leeds West Yorkshire LS10 3JP	The winning scheme will work with a local charity to deliver key skills and IT training for more disadvantaged members of the community, including older people and children, utilising space in the branch during non opening times/days. Projects include 'Get Online' and 'Homework Study Support Club'; programmes aim to be intergenerational building on the skills and assets of both young and older people.
Mickleover	13 The Parade Mickleover Derbyshire DE3 0GB	The winning scheme in Mickleover will put up video screens to display advertisements for local community groups.
Morpeth	Amble 43 Queen Street Morpeth Northumberland NE65 0DA	The winning scheme will see the installation of a digital booth in Amble Post Office to offer private IT access and skills training, with support from local Digital Champion volunteers.

Port Clarence	Port Clarence Road Port Clarence Middlesbrough Cleveland TS2 1TW	Improve Internet and ICT provision in social enterprise-run Post Office, to enhance community hub and support more residents to access services and information, and seek employment
Royal Wootton Bassett	33 High Street Swindon Wiltshire SN4 7AF	The winning scheme in Royal Wootton Bassett will provide Wi-Fi and tablets to establish an internet club for older people to address the lack of IT skills, financial barriers and social exclusion.
Stevenage	High St Stevenage Waitrose Stevenage SG1 3EH	The winning scheme in Stevenage will work with a community centre to establish a base in the Post Office and a community run Internet café with free Internet access in the centre, to provide training and support to local people. This would be promoted through community notice boards.
Walthamstow	Wood Street 148 - 150 Wood Street London E17 3HX	As part of their winning scheme Walthamstow Post Office will work with local community organisation, Significant Seams, to develop local apps as a virtual community hub which signposts people to community services and information.
