North of England Zoological Society Staff Association

**Independent auditors' report to the members of
North of England Zoological Society Staff Association**

We have audited the accounts of North of England Zoological Society Staff Association for the year ended 31 December 2016 which comprise the income and expenditure account and the balance sheet. These accounts have been prepared under the historical cost convention and in accordance with the accruals concept.

This report is made solely to the Association's members, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of officers and auditors

The officers of the Association are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view. Our responsibility is to audit the accounts in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the accounts sufficient to give reasonable assurance that the accounts are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the officers; and the overall presentation of the accounts. In addition, we read all the financial and non-financial information in the Annual Return to identify material inconsistencies with the audited accounts. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 December 2016 and of its surplus for the year then ended; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- the Association has not kept proper accounting records in accordance with the requirements of section 28; or
- the Association has not maintained a satisfactory system of control over its transactions in accordance with the requirements of section 28; or
- the accounts to which the report relates do not agree with the accounting records.
