

Freedom of Information request 2510/2014

Received 5 June 2014

Published

Information request

Do people on benefits get a supplement if they own a dog.

If so, is such a supplement limited to dogs, or are there other pets that attract enhancement of benefits payable to a claimant

DWP response

No additional Jobseeker's Allowance, Employment and Support Allowance or Income Support is paid to claimants because they own a dog or any other pets.

If you have any queries about this letter please contact me quoting the reference number above.
