CORPORATE

COVENANT

Corporate Covenant

WHAT IS IT?
A corporate covenant is a written & published statement of pledge from businesses & public sector organisations who wish to demonstrate their ongoing support for the armed forces community.

WHO CAN SIGN IT?

Any Shropshire business, Social Enterprise or Local Charity

WHY SHOULD I SIGN UP?

Each organisation will also be encouraged to offer support in a way most appropriate to their resources & capacity, with the pledge statement including a range of options for them to sign up to. This could range from employment support for veterans, reservists, service spouses & partners, to social support for carers with Armed Forces Day & discounts for the armed forces community. There is also an opportunity for companies & charitable organisations to add their own commitments based on local circumstances.

HOW CAN I SIGN UP?

A Corporate Covenant form can be found at www.shropshire.gov.uk/safcc or alternatively send us an email & we'll be in contact to discuss your corporate covenant requirements.

SHROPSHIRE ARMED FORCES COMMUNITY COVENANT

The 4 aims of the Covenant are:

to encourage local communities to support the armed forces community in their areas & to nurture public understanding & awareness among the public of issues affecting the armed forces community

to recognise & remember the sacrifices faced by the armed forces community
