**REDACTED**,

Thanks - that is in Chris N's diary. I am covering this as **REDACTED** is on leave this week so apologies if you have already discussed, but I am assuming this will be here at DECC. Please let me know if you understand otherwise.

Regards,

Logistically I don't think it will be possible for Chris to escape the clutches of the conference. Would it be possible to arrange for late September? The 25<sup>th</sup> & 26<sup>th</sup> are free (as it stands), would you be able to meet then?

We won't be at the conference itself but can meet in and around Glasgow where we have an office - what time / date would work best?

Thanks **REDACTED**,

Is there any possibility to meet at Lib Dem conference in Glasgow? If not, the meeting would have to take place after, in late September.

Hi **REDACTED**

Thank you for your email. Regarding this meeting, who would it be that Chris is meeting? Time is very tight as Chris going on leave and then from September it will be very busy in the lead up to Conference.
