I am writing regarding your request for information received on 15 April 2017. In that request, you asked us for various data relating to Cameras on the A217, A25 and A23 in Surrey under the Freedom of Information Act.

I would like to advise you that Highways England (HE) have no jurisdiction over the A217 and A25 and most of the A23 in Surrey, therefore I will be unable to provide the requested information. I can however inform you that the responsibility for some of these cameras at least may fall with Surrey County Council, as the Highways Authority for these roads. Their highways department contact details are as follows:

- Telephone: 0300 200 1003
- Email: contact.centre@surreycc.gov.uk

If you are unhappy with the way we have handled your request you may ask for an internal review. Our internal review process is available at:
<https://www.gov.uk/government/organisations/highways-england/about/complaints-procedure>

If you require a print copy, please phone the Information Line on 0300 123 5000; or e-mail info@highwaysengland.co.uk. You should contact me if you wish to complain.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. The Information Commissioner can be contacted at:
