# Final New Burdens payment 2015/16 for the Real Time Information Bulk Data Matching Initiative, reduction in Housing Benefit backdating and removal of Family Premium

#### Introduction

- 1. This circular is to inform you of funding that will be allocated to local authorities (LAs) in support of the cost of implementing welfare reform changes in 2015/16; as well as providing initial payments for initiatives in 2016/17.
- 2. The funding is intended to meet New Burdens incurred by LAs as a result of the on-going implementation of the following areas:
  - Real Time Information (RTI) Bulk Data Matching (BDM) Initiative
    - Final payments for 2015/16 RTI BDM
    - Initial payments for 2016/17 RTI BDM
  - Removal of the Family Premium and limitation of Housing Benefit (HB) backdating to one month

#### **Funding details**

3. A breakdown of the total funding is given below:

Area of activity	Funding distribution based on	Funding (to nearest £0.1m)
Final payment of RTI BDM referrals	Distribution is based on the actual files received for 15/16 minus the interim payment made June 2015	£2.74m
Initial payment of the funding before the outset of the 2016/17 delivery timetable (based on the 'netted/capped' allocation cost model)	Distribution based on the predicted level of files received for each LA area	£1.5m
Removal of the Family Premium and the reduction of HB backdating	Distribution based on the current affected caseload in each LA area	£1.25m

4. Each element of the funding has been distributed amongst LAs on a basis that reflects the likely distribution of costs, as indicated in the table above. The allocations are included in the attached Annexes A to C.

#### **Payment arrangements**

5. Each LA will receive three separate payments on or around 29 March 2016, totalling the allocations shown in Annexes A to C.

#### RTI BDM 2016/17 uprating

6. For the initial RTI BDM payment, an uprating of 1% on last year's amount to deal with the RTI referrals has been approved. This will increase the payment per file to £10.38; the payment for debt recovery action remaining unchanged at £5.00. The total payable per case will be £15.38.

#### HB backdating and removal of Family Premium new arrangements

- 7. As detailed in circular <u>HB A3/2016</u>, new arrangements, which come into force from 1 April 2016, reduce the maximum period for which HB claims may be backdated for working age claimants to one month.
- 8. The Family Premium will not be included in the HB applicable amount for new entitlements to HB beginning on or after 1 May 2016.
- Funding has been approved for training, guidance and changing electronic claim forms. Payments, for changes to LA IT systems have been paid separately and are not included in this circular.
