Background

One DBS Certificate is all you may ever need

You can now subscribe to the Update Service when you next apply for a DBS check, and you may never need to apply for another one again. For a small annual subscription of just £13 (free for volunteers) you can have your DBS Certificate kept up-to-date and take it with you, from role to role, within the same workforce, where the same type and level of check is required. By subscribing to the new service you could save yourself time and money depending upon how many DBS checks you

have needed in the past.

Important

Ask the person who submits your application for the application form reference number so you can subscribe to the Update Service when you apply for your DBS check. If you wait to subscribe with your DBS Certificate number you must use it within 14 days of the resulting DBS Certificate issue date.
