

West Midlands Construction UTC: Standard Impact Assessment

Schools and academies within the local area (ten mile radius) and limited to the nearest 15 secondary schools or academies					
School name	School type	Capacity	Attainment in 2012/13	Ofsted grade	Impact rating
Black Country UTC	UTC	480 Surplus of 5.8%	n/a	Requires Improvement	Moderate Black Country UTC was inspected in January 2013 and will share the same site, but specialises in engineering and it is working in partnership with the West Midlands UTC to the mutual benefit of both establishments. Having opened in 2011, attainment has not yet been measured, but there is a surplus of places, which is relatively small compared to the LA average.
The Mirus Academy (opened in January 2012)	Academy Sponsor Led	1448 Surplus of 14.6%	n/a	Not yet inspected	Moderate The academy has not been inspected and having only been open since 2012 has no attainment figures. The school has surplus places and is only 1.0 miles away from the UTC. It is anticipated that the UTC will have a moderate impact on this academy.
Coppice Performing Arts School	Community School	919 Surplus of 1.4%	58% Just below national average 5A * C incl English and Maths	Good	Minimal The UTC is unlikely to affect the long term viability of the school.
Walsall Academy	Academy Sponsor Led	1200 Surplus of 7.4%	72% Well above national average. 5A * C incl English and Maths	Good	Minimal The UTC is unlikely to affect the long term viability of the academy.
Willenhall E-ACT Academy (opened in January 2012)	Academy Sponsor Led	1620 Surplus of 5.7 %	n/a	Not yet inspected	Minimal The UTC is unlikely to affect the long term viability of the academy.
Pool Hayes Arts and Community School	Foundation School	1184 Surplus of -	42% Well below national	Satisfactory	Moderate The school is achieving well below the national

		1.5%	average. 5A * C incl English and Maths		average and has a satisfactory Ofsted report, but currently has a deficit of school places. The school is 1.6 miles away from the UTC and the UTC is unlikely to have any long term effect on the school.
Wednesfield High School, A Specialist Engineering College	Community School	1215 Surplus of 26.7%	41% Well below national average. 5A * C incl English and Maths	Good	Moderate The school is achieving well below the national average but has a Good Ofsted report. The school is 2.1 miles away from the UTC and has high surplus places. The UTC is unlikely to have any long term effect on the school.
West Walsall E-Act Academy (opened in September 2012)	Academy Sponsor Led	n/a	n/a	Not yet Inspected	Unable to assess
Cheslyn Hay Sport and Community High School	Community School	1312 Surplus of - 1.4%	62% Just above national average 5A * C incl English and Maths	Outstanding	Minimal The UTC is unlikely to affect the long term viability of the school.
Queen Mary's High School	Academy Converters	792 Surplus of 11.6%	98% Well above national average. 5A * C incl English and Maths	Outstanding	Minimal The UTC is unlikely to affect the long term viability of the academy.
Great Wyrley High School	Community School	1115 Surplus of 3.4%	56% Just below national average 5A * C incl English and Maths	Requires Improvement	Minimal The UTC is unlikely to affect the long term viability of the school.
Moreton Community School	Community School	826 Surplus of 17.1%	56% Just below national average 5A * C incl English and Maths	Requires Improvement	Moderate The school is achieving just below the national average and the most recent Ofsted report advises the school requires improvement. The school has surplus places but is 3.2 miles away from the UTC. The UTC is unlikely to affect the long term viability of the school.
Heath Park Business	Academy	1214	81%	Outstanding	Minimal

and Enterprise College	Converters	Surplus of 2.9%	Well above national average. 5A * C incl English and Maths		The UTC is unlikely to affect the long term viability of the academy.
Our Lady and St Chad Catholic Sports College	Voluntary Aided School	946 Surplus of 13.0%	39% Well below national average. 5A * C incl English and Maths	Satisfactory	High This school is well below the national average for attainment, it has a high surplus, is 3.3 miles away from the UTC, with a satisfactory Ofsted report and has a specialist sports status. It may lose a few pupils to the new UTC.
St Thomas More Catholic School, Willenhall	Voluntary Aided School	1475 Surplus of 2.1%	50% Well below national average. 5A * C incl English and Maths	Requires Improvement	Minimal The UTC is unlikely to affect the long term viability of the school.

Colleges within the local area (ten mile radius) and limited to the nearest ten colleges					
College name	Number of learners aged 16-18	Proportion of learners aged 16-18	Average Point Score per student 2012	Ofsted	Impact Rating
Walsall College	3305	52.0%	443.4	Outstanding	Minimal The UTC is unlikely to affect the long term viability of the college
South Staffordshire College	3125	52.6%	565.9	Good	Minimal The UTC is unlikely to affect the long term viability of the college
City of Wolverhampton College	3004	39.4%	581	Requires Improvement	Minimal The UTC is unlikely to affect the long term viability of the college
Sandwell College	2048	51.1%	370.2	Satisfactory	Minimal The UTC is unlikely to affect the long term viability of the college
Dudley College of Technology	2553	52.5%	527.4	Good	Minimal The UTC is unlikely to affect the long term viability

					of the college
Birmingham Metropolitan College	6106	44.1%	522.8	Good	Minimal The UTC is unlikely to affect the long term viability of the college
