Date Released: 28 May 2015

Summary of request: The enquirer requested details of Companies House Gas and Electricity contract

Information Released

If I may explain, Companies House is a multi-site public authority which has offices in Cardiff, Edinburgh and Northern Ireland. I have therefore included the contract information for gas and electricity in respect of the Cardiff office and electricity contract information relating to our Edinburgh and Northern Ireland offices on the spreadsheet you have provided and which is attached to this email.

Please note that I have not included the name or contact details of the responsible officer as this personal information which is exempt under section 40(2) of the Freedom of Information Act 2000, since disclosure would be unfair and would therefore breach the first Data Protection Principle. However I have included the job title and our generic enquiry email address should you want to make any specific enquiries regarding the subject matter.
