	Total	170	54	224
Czech Rep	Female	23	8	31
	Male	25	14	39
	Total	48	22	70
Estonia	Female	17	2	19
	Male	20	6	26
	Total	37	8	45
Hungary	Female	6	2	8
	Male	6	2	8
	Total	12	4	16
Slovenia	Male	2	0	2
	Total	2	0	2
Total		2,860	730	3,590

Please note: figures do not represent the number of workers from the 8 Accession nations who are currently working for employers in the region you have specified. This is because there is no requirement for workers to de-register from the Worker Registration Scheme at the end of their employment. Also, the workers for whom Renewal Applications were approved were not necessarily approved Initial Applications in the defined area.
