

EXTERNAL CONSULTATION ON THE REDUCTION OF MINISTRY OF DEFENCE QUARTERLY OFFICIAL STATISTICS ON MENTAL HEALTH IN THE UK ARMED FORCES

Detail of Outcome

Defence Statistics (Health) opened a consultation with internal and external stakeholders on 7 March 2016, regarding the proposed reduction in the frequency of reporting of the Official Statistic on mental health in the UK Armed Forces:

The consultation period ended on 4 April 2016. There were no responses during the consultation period thus the UK Armed Forces mental health statistics will be released on a bi-annual basis as proposed. The planned July and October 2016 updates will thus not be published and will move to a mid-year publication only, starting in November 2016.
