Notification of application for a Conditional Underground Coal Gasification Licence

Maryport

CA Ref: CA11/UCG/0037/N

The Coal Authority has received an application for an offshore conditional underground coal gasification licence from :-

Cluff Natural Resources plc

5-8 The Sanctuary

Westminster

London

SW1P 3JS

Contact:

The application is now receiving our attention and will be processed in accordance with the Coal Authority's statutory duties and our policy on underground coal gasification.

I attach a copy of the application plan for your information and I would ask that you make the relevant persons in your organisation aware of the application and advise if there are any issues with your organisation that would influence the Authority in its determination of this application.

It should be noted that, if granted, no underground coal gasification operations will be possible under the licence all until other consents have been obtained (e.g. planning, environmental) and the licence has been made unconditional.

Should you require any further information please do not hesitate to contact this office using the reference and contact details shown.

Regards

The Coal Authority
