1. The statistics only cover the periods where Air Traffic Control (ATC) is open/manned; however, 3 Flying Training Squadron (3 FTS) only fly when ATC is open/manned.
2. The times of ATC opening is dependent upon requirements by airfield users but is generally between 0800 and 1800hrs Sat and Sun.
3. Where zero flights have been recorded on a particular day, ATC was closed and 3FTS were not flying. On these occasions we are unable to provide data for emergency service aircraft and/or civilian aircraft using the airfield as it does not exist.
