

Customer declaration for zero-rated VAT supply of an adapted motor vehicle

To check whether you're eligible to receive a motor vehicle zero-rated for Value Added Tax (VAT) refer to the guidance provided in Notice 1002: adapted motor vehicles for disabled people and charities.

If you need further guidance phone the VAT Disabled Reliefs Helpline on 0300 123 1073 before signing this declaration. Note HM Revenue and Customs staff aren't qualified to offer advice on particular disabilities and whether or not a disability requires a person to use a wheelchair.

Relief from VAT is only available if all four following conditions are met:

• the individual purchasing the vehicle (or for whom the vehicle is being purchased) is normally a wheelchair user

- the adapted motor vehicle is being purchased for the wheelchair user's personal and domestic use
- the vehicle has been permanently and substantially adapted to meet the wheelchair user's individual requirements
- the individual purchasing the vehicle (or for whom the vehicle is being purchased) hasn't (since 1 April 2017) obtained a VAT free vehicle under this relief in the past 3 years (unless exceptions to the three year rule apply)

This form can be completed by the wheelchair user or their nominated representative.
