

Freedom of Information request ref no. 2253/2015

Received 3 June 2015

Published August 2015

Information request

Is there an update to the figures in the ad hoc publication Moves of Housing Benefit Claimants (<https://www.gov.uk/government/statistics/moves-of-housing-benefit-claimants-july-2014>), for the period up to June to August 2013.

DWP response

You asked for an update to the figures in the ad hoc publication Moves of Housing Benefit Claimants (<https://www.gov.uk/government/statistics/moves-of-housing-benefit-claimants-july-2014>), which covered the period up to June to August 2013.

Please find attached four Excel spreadsheets which extend the analysis from June-August 2013 to September-November 2014. Owing to the three-month definition of a move, the figures use data up to February 2015, the latest month for which data are available.

Please note that the figures supplied have not been quality assured to National Statistics or Official Statistics publication standard. They should therefore be treated with caution.
