Dear Mr Butcher

Consultation on the National Minimum Wage

We think it is important to raise the National Minimum Wage, and we would like to see a further increase in the near future.

It seems only fair that the NMW should reflect the "living wage" currently reported to be £8.80/hr in the Greater London Area. The increase in consumer spending as a result of this would definitely help to stimulate economic growth in a wider area.

Yours sincerely

W.H.G. Hathorn
Director
