

## THE DEPARTMENT FOR EDUCATION'S FOURTH STATEMENT OF NEW REGULATION

The Coalition Government's first Statement of New Regulation included one legislative measure from the Department – the Education (Independent Educational Provision in England) (Provision of Information) Regulations 2010 (which came into force in January 2011) – that was classified as an 'OUT', and reduced costs to the independent schools sector by £0.07 million (EANCB) (£M, 2009). The Department had no legislative measures in the second and third Statements of New Regulation.

Legislative measures to be included in a Statement of New Regulation are classified (and independently validated) under 'One In, One Out' ('OIOO') as: 'INs'; 'OUTs'; and, 'ZERO NETs' according to their impact on the specified business sector. For the fourth Statement of New Regulation, the Department had: no 'INs'; seven 'OUTs'; and, one 'ZERO NET'. The Department's closing balance at 31 December 2012 (that also marks the close of 'OIOO') was -£10.71 million (EANCB) (£M, 2009).
