

# HIGH SPEED RAIL (LONDON - WEST MIDLANDS) BOOK OF REFERENCE

**Parliamentary Standing Orders require High Speed Two Ltd to prepare and deposit a Book of Reference with the Bill or any Additional Provision.**

The Book of Reference identifies all owners, lessees and occupiers with a qualifying interest in land and property affected by the HS2 scheme. All persons and organisations are listed by parish or borough, against each of the parcels of land that are described in the Book of Reference, shown on the Parliamentary Plans and listed in the various land schedules in the Bill.

Copies of the Book of Reference are not available on this website but can be acquired from the online shop at:
