Dear Accounting Officer

MANAGING PUBLIC MONEY (ANNEXES)

This letter informs Departments of an update to Managing Public Money (MPM) - Annex 6.2 Charging for Information.

Context

The only change is that Annex 6.2 (attached for reference) has been edited and restructured to improve the narrative and revised to include material on the re-use of public sector information. This update will be published online shortly.

Action

Each Accounting Officer should ensure that his or her staff are aware of the revised version of MPM, which applies to arms' length bodies as well as to their sponsor departments.

Contact

If you want to discuss this letter, please contact Claire Fears on 020 7270 4714.

Richard Brown
Treasury Officer of Accounts
