Dear

FREEDOM OF INFORMATION ACT 2000

I refer to your emails of 12th and 22nd February 2013. We have dealt with this matter under the terms of the Freedom of Information Act 2000.

I note that your second e-mail dated 22nd February 2013 effectively cancelled your original request if the Vehicle and Operator Services Agency (VOSA) were able to release "an uncensored copy of the MOT Compliance Survey (MCS) 2011/12" which would provide you with all the information you are seeking. I have therefore attached a copy of this report to the covering e-mail in response.

If you are unhappy with the response provided, you may ask for an internal review. To request an internal review, please write within two calendar months from the date of this letter to:

VOSA Corporate Office,
Berkeley House,
Croydon Street,
Bristol,
BS5 0DA

or email vosa.corporateoffice@vosa.gsi.gov.uk

giving the reasons for your dissatisfaction. It will help us if you quote the reference number for your case.

If you do not agree with the outcome of the internal review, you may lodge an appeal with the Information Commissioner (www.informationcommissioner.gov.uk). The

Information Commissioner is an independent official appointed by the Crown to oversee the Data Protection Act 1998, the Freedom of Information Act 2000 and the Environmental Information Regulations 2004.

The Information Commissioner can consider complaints about any aspect of the way in which requests for information have been handled. Please note: the Information Commissioner would be unlikely to consider your complaint if you have not first requested an internal review.

You can write to the Information Commissioner at:

The Information Commissioner's Office
Wycliffe House,
Water Lane,
Wilmslow,
Cheshire
SK9 5AF

The Vehicle and Operator Services Agency (VOSA) publishes responses to requests made under the Freedom of Information Act 2000 which may be of wider interest in a disclosure log on our website. This runs from 1st January 2012, and can be found by clicking on the following link
