ct

Dear

Thank you for acknowledging my recent correspondence concerning the FOI request.

Please note that my FOI response mentioned only the voluntary release of my email of 16th July 2012. I did not request that you include a copy of your most recent email and my two letters dated 30 August and 31 August in the DH's response to the FOI request which your letter of 24 August clearly says "relates ... to correspondence between DH and Forest during the period 16 April to 10 August 2012".

The two letters to which you refer were not made part of the FOI request and therefore remain confidential at this time.

I would therefore kindly request that only the documents that form part of the FOI and my email of 16th July 2012 be released.

Kind regards,

Simon Clark
