

Making or storing field silage notification

Water quality

The Water Resources (Silage, Slurry, and Agricultural Fuel Oil) Regulations 2010

Please read through this form and the guidance notes that came with it. Please write clearly in the answer spaces.

It should take approximately 10 minutes to fill in this form.

When to use this form

Use this form to tell us about any field heap or non-baled bagged silage store that you intend to make. You must tell us at least 14 days before you first make field silage at this location.

You do not need to fill in this form in subsequent years if you continue to use exactly the same location.

For more information, contact us on 03708 506 506.

Field heap

Non-baled bagged silage; for example, inside an Ag-Bag

3.4 When do you want to start making or storing field silage on this site?

Date (DD/MM/YYYY)

4 Drainage characteristics of the site

4.1 Is the site

more than 10 metres from any ditch or inland freshwater?

more than 50 metres from any water supply source?

on a slope?

on shallow soil?

on land that is drained?

5 The Data Protection Act 1998

We, the Environment Agency, will process the information you provide so that we can:

- deal with your notification;
- make sure you keep within the regulations;
- process renewals; and
- keep the public registers up to date.

We may also process or release the information to:

- offer you documents or services relating to environmental matters;
- consult the public, public organisations and other organisations (for example, the Health and Safety Executive, local authorities, the emergency services, the Department for Environment, Food and Rural Affairs) on environmental issues;
- carry out research and development work on environmental issues;
- provide information from the public register to anyone who asks;
- prevent anyone from breaking environmental law, investigate cases where environmental law may have been broken, and take any action that is needed;
- assess whether customers are satisfied with our service, and to improve our service; and
- respond to requests for information under the Freedom of Information Act 2000 and the Environmental Information Regulations 2004 (if the Data Protection Act allows).

We may pass the information on to our agents or representatives to do these things for us.

6 Declaration

If you make a statement that is false or misleading, you may be committing an offence under the Water Resources (Silage, Slurry, and Agricultural Fuel Oil) Regulations 2010.

I declare that as far as I know and believe, the information in this application is true. I understand that this notification may result in any approval being withdrawn, if I give false or incomplete information.

Tick this box to confirm that you understand and agree with the declaration above.
