

# FOI Release

Information released under the Freedom of Information Act

**Title:** EU Referendum

FOI.128.16-17

**Date of release: 29 April 2016**

---

---

## Information request

---

---

1. What preparatory work has your Department (including arms-length bodies) undertaken in order to understand how its' remit and operations could be affected if the UK voted to leave the EU?
2. Please could you confirm whether your Department (including arms-length bodies) has delayed any decisions on policy matters, major projects or procurements until after the results of the EU referendum? If yes, please say which.
3. If the UK voted to leave the EU, please indicate whether your Department (including arms-length bodies) would be likely to experience any of the following over the next 2 -3 years as a direct or indirect result:
  - A change in the remit or duties of your organisation
  - Major projects or procurements subject to uncertainty, cancellation or delayed decision-making
  - Need to help client group(s) understand the implications of EU exit for them
  - Need for increased budget to deal with additional workload related to EU renegotiation and exit
  - Need for extra staff to deal with additional workload related to EU renegotiation and exit
  - Need to change IT systems or implement new ones
  - Need to review suppliers or supplier contracts

## Information released

---

---

I am writing to advise you that we have completed a search of our paper and electronic records, and have established that the information you requested is not held by the UK Space Agency.

The UK Space Agency has not made any contingency plans for a possible vote to leave the EU at the 23 June referendum.
