Dear

PROVISION OF REQUESTED INFORMATION

Thank you for your request for information about a live animal export which we received on 4 September 2017. Your request has been handled under the Freedom of Information Act 2000.

The information you requested and our response is detailed below:

"Please can you provide the following paperwork for livestock truck that passed through Ramsgate port on Wednesday 23rd August 2017.

Cab registration 24BFZ7 Trailer registration ON70VT

Loading point Carlisle Destination Schelle Belgium

1. Journey Log WIT07- Both the Log submitted prior to the journey and the Log submitted after the journey had taken place.

Please see Appendix 1 attached for the returned Journey Log WIT07.

2. The Vehicle/Livestock Inspection Report WIT32

APHA did not undertake a supervised loading on vehicle 24BF27/ON70VT at the premises of origin, so a Vehicle/Livestock Inspection Report (WIT32) is not held for this vehicle.

3. All Intra Trade Animal Health Certificates

Please see Appendix 2 attached for the ITAHC.

4. Any WIT08 or WIT09 notices served

There were no WIT08 or WIT09's served.

5. If any animals were refused loading, the ET45 form

Please see Appendix 3 attached for ET54 form.

Please could you also advise as to whether this vehicle received an inspection by APHA at Ramsgate Port?"

Please see Appendix 4 attached for the portal inspection report (WIT59).

Information has been redacted under Section 38, Section 40(2), read in conjunction with 40(3)(a)(i) of the Freedom of Information Act (2000).

Section 38

Section 38 refers to the exemption from the duty to provide information if it would, or would be likely to affect anyone's health or safety.

The exemption in Section 38 is subject to a Public Interest Test to ensure it is being appropriately applied.

Public Interest Test

We recognise that there is a general presumption in favour of transparency and openness concerning our work, and providing the general public with the right to request access to information held by public authorities.

We also recognise that there is a public interest in disclosure of this specific information in order to increase this transparency and aid well-informed debates concerning the welfare and transportation of animals, and the individuals associated with them.

However, we feel that there is a stronger public interest in withholding the information as the full addresses, including the county of origin, the destination and/or rest stops, transporter details and individual names would identify further information and would, or would be likely to, endanger the health and safety of staff. This poses a substantial risk to the health and safety of individuals associated with the transportation of animals that would be of significant severity and is likely to occur in some cases. We consider this to be a significant factor in favour of maintaining the exemption.

APHA has balanced the real threat to the health and safety of individuals which disclosure of the requested information would be likely to cause, against the public interest

arguments in favour of disclosure. In this instance the APHA does not consider that disclosing the information requested in order to inform public debate and to promote accountability and transparency would justify the risk to individuals' health and safety.

Section 40

Some of the information contained within the requested documents have been withheld under section 40(2), read in conjunction with 40(3)(a)(i) (third party personal data), of the FOIA as the information constitutes personal data relating to a third party. Section 40(2), read in conjunction with 40(3)(a)(i), of the FOIA provides that personal data relating to third parties is exempt information if disclosure would breach the Data Protection Act 1998 (DPA).

APHA consider that disclosure of this information is likely to breach the first data protection principle in Schedule 1 of the DPA, which relates to the fair and lawful processing of personal data, in two ways. First, disclosure would not constitute 'fair' processing of the personal data, second, disclosure would not satisfy any of the conditions for data processing set out in Schedule 2 to the DPA. Therefore, we have concluded that this information is exempt from disclosure under section 40 of the FOIA.

Information disclosed in response to this FOI request is releasable to the public. In keeping with the spirit and effect of the FOIA and the government's Transparency Agenda, this letter and the information disclosed to you may be placed on GOV.UK, together with any related information that will provide a key to its wider context. No information identifying you will be placed on the GOV.UK website.

I attach an Annex which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact the Access to Information Team at the email address below or postal address at the top of this letter.

Yours sincerely

ACCESS TO INFORMATION TEAM Email: <u>enquiries@apha.gsi.gov.uk</u>

Annex

Copyright

The information supplied to you is Crown copyright, unless otherwise stated, and is protected by the Copyright, Designs and Patents Act 1988. You are free to use it for your own purposes, including for the purposes of news reporting. You can find details on the arrangements for re-using Crown copyright information at:

http://www.nationalarchives.gov.uk/doc/open-government-licence/open-government

Information you receive which is **not** subject to Crown Copyright continues to be protected by the copyright of the person, or organisation, from which the information originated. You must ensure that you gain their permission before reproducing any third party (non Crown Copyright) information.

Complaints

If you are unhappy with the result of your request for information you may request an internal review within 40 working days of the date of this letter.

If you wish to request an internal review, please contact: The Access to Information Team at <u>enquiries@apha.gsi.gov.uk</u> or at the postal address at the top of this letter, who will arrange for an internal review of your case.

If you are not content with the outcome of the internal review, you have the right to apply directly to the Information Commissioner for a decision. Please note that generally the Information Commissioner cannot make a decision unless you have first exhausted APHA's own complaints procedure. The Information Commissioner can be contacted at:

Information Commissioner's Office Wycliffe House Water Lane Wilmslow Cheshire SK9 5AF

FAIR PROCESSING NOTICE

Defra, the Scottish Government, the Welsh Government and the Food Standards Agency are Data Controllers in Common in respect of personal data processed by the Animal and Plant Health Agency (APHA). For the purposes and usage of the data by APHA and the data sharing arrangements, please see the APHA Personal Information Charter on GOV.UK. A hard copy of this can be provided if required; please contact your local APHA Field Service office. APHA will not permit any unwarranted breach of confidentiality or act in contravention of their obligations under the Data Protection Act 1998. APHA is an Executive Agency of the Department for Environment, Food and Rural Affairs and also works on behalf of the Scottish Government, Welsh Government and Food Standards Agency.

ET54 (Rev. 04/17)

OFFICIAL-SENSITIVE

Notes for Official Veterinarian

- 1. The original copy of this document must be left at the premises of loading with the original copy of the ITAHC.
- A copy of this document, a copy of the Part I of the ITAHC and a completed copy of Part II of the ITAHC must
 be delivered, faxed or emailed on the same day on which the ITAHC is signed to Centre for International Trade Carlisle (CITC).
- 3. In the case of an export not proceeding, this form must be returned to CITC with the unused ITAHC.
- 4. If the consignment is cancelled, the exporter must advise CITC.
- 5. If the departure date/time changes or a different vehicle is used, the exporter must advise CITC so that a replacement TRACES message can be sent.
- 6. An animal could be deemed 'not eligible to travel' due to not fulfilling the health criteria required for Intra-Union trade or due to not being fit to be transported.

Notes for Exporter

- 1. In the event that the export consignment is selected to undergo an APHA supervised loading, please provide this document to the APHA staff during the supervised loading inspection.
- 2. If the export consignment is not selected to undergo an APHA supervised loading this document can be retained or destroyed at the exporter's discretion after the exported consignment has departed the premises of loading.

APHA is an Executive Agency of the Department for Environment, Food and Rural Affairs and also works on behalf of the Scottish Government, Welsh Government and Food Standards Agency to safeguard animal and plant health for the benefit of people, the environment and the economy.
