AUTHORIZED AMENDMENT

Note to provide a summary/overview of the amendment and to explain/ensure that the reader understands: the rationale for the amendment; the major changes; and, importantly, the full context (including desired outcome) of the amendment.

The input here should be your 'one minute' to explain what, why and how.

The revised RA has undergone amendment in order to clarify/provide additional guidance in the following key areas:

- Sets a Minimum Separation Distance when at a Flying Display and outside the Display Area.
- Provides clarification for events over non-MOD occupied property in the UK with military registered Air Systems only.
- Provides clarification of responsibilities surrounding the approval of foreign military registered Air Systems at UK Flying Displays.
- Clarifies the status of CAA exemptions at events over MOD Occupied Property.
- Adds validity and currency for FDD accreditation. The DO is to highlight for the RC why and what has changed within the regulation; outlining all major changes.

The amendment also corrects minor errors from Issue 7.
