

Commitment	Status	Data
Data on comparative clinical outcomes of GP practices in England to be published by December 2011, following the lead of the NHS in London which has agreed a set of 22 indicators with local GPs	Publishing	<a href="https://indicators.ic.nhs.uk/webview/">https://indicators.ic.nhs.uk/webview/</a>
Prescribing data by GP practice to be published by December 2011, as per the Growth Review	Publishing	<a href="http://www.nhsbsa.nhs.uk/PrescriptionServices/3164.aspx">http://www.nhsbsa.nhs.uk/PrescriptionServices/3164.aspx</a>
Complaints data by NHS hospital so that patients can see what issues have affected others and take better decisions about which hospital suits them. This commitment will be met by October 2011	Publishing	<a href="http://www.ic.nhs.uk/searchcatalogue?productid=8179&amp;q=GP+complaints&amp;sort=Relevance&amp;size=10&amp;page=1#top">http://www.ic.nhs.uk/searchcatalogue?productid=8179&amp;q=GP+complaints&amp;sort=Relevance&amp;size=10&amp;page=1#top</a>
Clinical audit data, detailing the performance of publicly funded clinical teams in treating key healthcare conditions, will be published from April 2012. This service will be piloted in December 2011 using data from the latest National Lung Cancer Audit, commissioned by the Healthcare Quality Improvement Partnership (HQIP) as part of the National Clinical Audit and Patient Outcomes Programme (NCAPOP)	Publishing	<a href="http://www.ic.nhs.uk/searchcatalogue?q=clinical+audits&amp;area=&amp;size=10&amp;sort=Relevance">http://www.ic.nhs.uk/searchcatalogue?q=clinical+audits&amp;area=&amp;size=10&amp;sort=Relevance</a>
Data on staff satisfaction and engagement by NHS provider (for example by hospital and mental health trust) will be published from December 2011	Publishing	<a href="http://www.nhsstaffsurveys.com/cms/">http://www.nhsstaffsurveys.com/cms/</a>
Data on the quality of post-graduate medical education by provider will be published from April 2012.	Publishing	<a href="http://www.gmc-uk.org/education/assuring_quality.asp">http://www.gmc-uk.org/education/assuring_quality.asp</a>
Data enabling parents to see how effective their school is at teaching high, average and low attaining pupils across a range of subjects, to be published from January 2012	Publishing	<a href="http://www.education.gov.uk/schools/performance/">http://www.education.gov.uk/schools/performance/</a>

Opening up access to anonymised data from the National Pupil Database to help parents and pupils to monitor the performance of their schools in depth, from June 2012. This will enable better comparisons of school performance and we will look to strengthen datasets in due course	Publishing	<a href="http://www.education.gov.uk/researchandstatistics/national-pupil-database">http://www.education.gov.uk/researchandstatistics/national-pupil-database</a>
Bringing together for the first time school spending data, school performance data, pupil cohort data and Ofsted judgements, from January 2012, in a parent-friendly portal, searchable by postcode	Publishing	<a href="http://www.education.gov.uk/schools/performance/">http://www.education.gov.uk/schools/performance/</a>
Data on attainment of students eligible for pupil premium to be published from January 2012	Publishing	<a href="http://www.education.gov.uk/schools/performance/">http://www.education.gov.uk/schools/performance/</a>
Data on apprenticeships paid for by HM Government, by organisation and by success rate, to be published from July 2011.	Publishing	<a href="http://www.apprenticeships.org.uk/About-Us/Performance-data.aspx">http://www.apprenticeships.org.uk/About-Us/Performance-data.aspx</a>
Sentencing data by court will be published by November 2011, enabling the public to see exactly what sentences are being handed down in their local courts, and compare different courts on a wide range of measures. The data, anonymised, will include the age, gender and ethnicity of those sentenced, the sentence given, and the time taken at each stage from offence to completion of the case in court	Publishing	<a href="http://www.justice.gov.uk/statistics/courts-and-sentencing/judicial-quarterly">http://www.justice.gov.uk/statistics/courts-and-sentencing/judicial-quarterly</a>
Data on performance of probation services and prisons including re-offending rates by offender and institution, to be published from October 2011	Publishing	<a href="http://www.justice.gov.uk/statistics/prisons-and-probation/prison-probation-performance-info">http://www.justice.gov.uk/statistics/prisons-and-probation/prison-probation-performance-info</a>
From May 2012, the national crime mapping website, Police.uk, will provide the public with information on what happens next for crime occurring on their streets, i.e. police action and justice outcomes.	Publishing	<a href="http://www.police.uk/">http://www.police.uk/</a>
In addition to opening up data owned by DfT and its arms length bodies, we are committed to working with the transport industry and data users to make	Publishing	<a href="http://data.gov.uk/publisher/department-for-transport">http://data.gov.uk/publisher/department-for-transport</a>

public transport data open and freely available for re-use. Over the next year we will deliver:		All listed under the above link
Data on current and future roadworks on the Strategic Road Network will be published from October 2011, and subject to consultation extended during 2012 to Local Authority Streetworks Registers maintained under statute	Publishing	<a href="http://www.elgin.org.uk/">http://www.elgin.org.uk/</a>
All remaining government-owned free datasets from Transport Direct, including cycle route data and the national car park database to be made available for free re-use from October 2011	Publishing	<a href="http://data.gov.uk/publisher/department-for-transport">http://data.gov.uk/publisher/department-for-transport</a> All listed under the above link
Real time data on the Strategic Road Network including incidents, speeds and congestion to be published from December 2011	Publishing	<a href="http://www.data.gov.uk/dataset/live-traffic-information-from-the-highways-agency-road-network">http://www.data.gov.uk/dataset/live-traffic-information-from-the-highways-agency-road-network</a>
Office of Rail Regulation to increase the amount of data published relating to service performance and complaints by May 2012	Publishing	<a href="http://www.rail-reg.gov.uk/server/show/nav.1527">http://www.rail-reg.gov.uk/server/show/nav.1527</a>
Rail timetable information to be published weekly by National Rail from December 2011.	Publishing	<a href="http://www.networkrail.co.uk/asp/3828.aspx">http://www.networkrail.co.uk/asp/3828.aspx</a>
We are working with the purchase and payment card providers to provide a consistent method of reporting government procurement card spend data for transactions above £500 in value, so this is available for publication on departmental websites, from end September 2011.	Publishing	<a href="http://data.gov.uk/data/openspending-report/index">http://data.gov.uk/data/openspending-report/index</a>
