

DECC ELECTRICITY MARKET REFORM STAKEHOLDER BULLETIN

Dear Colleague,

We would like to make you aware of the timings and activities relating to the outcome of the current CFD allocation round.

National Grid plans to directly notify all applicants of the outcome of the auction at **7AM on 26 February 2015**. DECC will publish a **Press Release** at the same time. This will be accompanied by a breakdown of the data on the gov.uk site (we will send out the link via a stakeholder bulletin on Thursday 19 February). This will set out -

(A) Information on the successful applicants, as follows:

	Project Name	Applicant	Technology	Size (MW)	Strike Price	Delivery Year
Project 1						
...						

(B) Estimated Budget spend presuming all offered contracts are accepted (£/yr).

	2014/15	2015/16	2016/17	2017/18	2018/19
Pot 1					
Pot 2					

DECC will also publish:

(C) The total value of all applications originally received valued at the strike price

There will be no information published on detail of bids (other than that set out above), or on unsuccessful projects.

The Low Carbon Contracts Company is responsible for the management of all signed contracts over their lifetime. Further information on this process will be published on their site at www.lowcarboncontracts.uk or can be requested by emailing contractmanagement@lowcarboncontracts.uk
