

THE ARMENIAN GENOCIDE MUSEUM - INSTITUTE

Established in , the Armenian Genocide Museum-Institute's mission is two-fold; research, study and analysis of the events of 1915 and a public exhibition of documents related to the Armenian "Genocide" of 1915-1923.

The Museum provides information and artefacts related to the life of the Armenian community in the Ottoman Empire before and during the "Genocide". It provides eye-witness accounts of the massacres, including from British Army officers
