

Department for Transport

Addendum to Consultation on the draft Designation Orders implementing the Port Security Regulations 2009 (S.I. 2009/2048) at the Ports of: Barrow, Cardiff, Falmouth, Glasgow (now “Clyde”), Hull, Goole, Immingham and Grimsby, Liverpool, the Manchester Ship Canal, Newhaven, Southampton, Sullom Voe, Swansea, (“the Listed Ports”)
DfT-2012-40

As you know, the present consultation included proposals for a port boundary for Barrow and a port boundary for Newport (Newport was supplied as part of the draft designation order for Cardiff).

Please note that we will be supplying replacement boundary plans for the consultation for each of these ports.

For **Newport**, the boundary we are consulting you on will change (so as to match harbour limits).

For **Barrow**, the boundary will not change on the replacement, but the plan currently with you for consultation is blurred. We will replace that plan with a consultation plan on which the details are clearer.

When we supply the replacement plans, we will extend the consultation period to allow for consideration of them (however for all other comments the deadline remains as 4 January 2013).
