Dear [REDACTED]

You recently asked me for help in obtaining contact details of organisations operating in Uganda. Apologies for my slight delay in replying.

Here is the information you requested:

UK NGOs and commercial companies in Uganda:

The registration and regulation of NGOs in Uganda is the responsibility of the Ugandan NGO Board, which comes under the authority of the Ministry for Internal Affairs. The NGO Board is therefore the best point of contact for enquiries about NGOs in Uganda, including those with links to the UK. The NGO Board's contact number is +256 (0) 414 341556.

UK Trade and Investment (UKTI) helps **British companies** increase their competitiveness through overseas trade in Uganda. The UKTI section within the High Commission may be able to provide more information about British companies operating in Uganda, and I have copied this email to the team. UKTI's email address is commercial.Kampala@fco.gov.uk, and the UKTI team can also be contacted via our switchboard: +256 (0) 312 31200. More information is available at <https://www.gov.uk/government/world/organisations/uk-trade-investment-uganda>.

Foreign Diplomatic Missions:

The Ugandan Ministry of Foreign Affairs maintains a list of **diplomatic missions** accredited to Uganda. This can be accessed from the Ministry's website (www.mofa.go.ug), by selecting "Foreign Missions" from the bar near the top of the homepage.

I hope this is helpful, but please let me know if there is any further information we might be able to provide which you would find useful.

Best regards,

[REDACTED]
