

Marylebone Boys' School - Impact Assessment

Impact on Local Secondary School (Some with sixth form provision)					
School name	School type	Capacity	Attainment in 2012/13 at KS4 (% achieving 5 A*-C including Eng and maths) Westminster Av = 69.6% England Av = 60.8%	Ofsted grade	Impact rating
King Solomon Academy	3-18 age range Academy Sponsor Led Non-faith Mixed	600 places available no places unfilled 60 places at entry point with no places unfilled	No KS4 data available (school only opened in 2007 and pupils yet to sit KS4 tests)	Good at 15/05/13	Minimal This is a new academy sponsor school which opened in 2007. The free school is unlikely to affect the long term viability of the school given that there are no unfilled places and the school is rated outstanding by Ofsted.
Westminster Academy	11-18 age range Academy Sponsor Led Non-faith Mixed	1175 places available Overall surplus of 184 school places (15.7% of total school) 180 places at entry point with 19 places unfilled.	Above national and LA averages with 69% of pupils achieved 5 A*-C inc English and maths	Outstanding at 11/03/13	Minimal Although there are 184 school places unfilled and 19 at entry level it is unlikely that the long term viability of the school will be affected by the opening of the free school. The school's exam results were above the national average and only a fraction lower than the LA average. The academy is also rated outstanding by Ofsted.
Paddington Academy	11-18 age range Academy Sponsor Christian	1149 places available no places unfilled 180 places at entry point with 2 places unfilled.	Well above national and LA averages with 76% of pupils achieved 5 A*-C inc English and maths	Outstanding at 20/10/11	Minimal The free school is unlikely to affect the long term viability of the academy given the good exam results and the outstanding Ofsted judgment, which will continue to

	Mixed				attract pupils. The school is a Christian designated faith school and therefore will specifically attract pupils of Christian faith.
The St Marylebone CofE School	11-18 age range (girls 11-16) Academy Converter Church of England Mixed	1025 places available no places unfilled 150 places at entry point with only 1 place unfilled.	Well above national and LA averages with 91% of pupils achieved 5 A*-C inc English and maths	Outstanding at 7/011/07	Minimal The free school is unlikely to affect the long term viability of the school given the exceptional exam results and the outstanding Ofsted judgment, which will continue to attract pupils. The 11-16 provision is a girls' school. The school is also a Church of England designated school and will specifically attract girls of Church of England faith.
St George's Catholic School	11-16 age range Academy Converter Roman Catholic Mixed	634 places available no places unfilled 150 places at entry point no places unfilled	Above the national and slightly below the LA average with 65% of pupils achieved 5 A*-C inc English and maths	Outstanding at 24/06/10	Minimal The exam results were above the national average but slightly below the LA average. The school is unlikely to affect the long term viability of the school given the outstanding Ofsted judgment and the fact that there are no unfilled places at the school. The school is also a Roman Catholic designated school and therefore will specially attract pupils of that faith.
St Augustine's CofE High School	11-16 age range Voluntary Aided Church of England Mixed	900 places available Overall surplus of 56 school places (6.2% of total school) 150 places at entry point no places unfilled.	Well below the national and LA averages with 56% of pupils achieved 5 A*-C inc English and maths	Outstanding at 19/09/2013	Minimal Although exam results were well below the LA and national average which may affect parental choice the free school is unlikely to affect the long term viability of the school given the outstanding Ofsted judgment and the fact that there were no unfilled places at entry point. The school is also a designated Church of England school and will specially attract

					pupils of that faith.
Quintin Kynaston School	11-18 age range Academy Converter Non-faith Mixed	1350 places available no places unfilled 210 places at entry point with only 8 places unfilled.	Well below the national and LA averages with 54% of pupils achieved 5 A*-C inc English and maths	Outstanding at 8/12/2011	Moderate Exam results were well below the LA and national average which may affect parental choice but this might be offset by the school's outstanding Ofsted rating. The free school may affect the long term financial viability of the school
Holland Park School	11-18 age range Academy Converter Non-faith Mixed	1430 places available Overall surplus of 118 school places (8.3% of total school) 240 places at entry point with 8 places unfilled.	Well above national and LA averages with 87% of pupils achieved 5 A*-C inc English and maths	Outstanding at 26/05/2011	Minimal Although there are some unfilled places, the free school is unlikely to affect the long term viability of the school given the good exam results and the outstanding Ofsted judgment which will continue to attract pupils.
The UCL Academy	11-18 age range Academy Sponsor Non-faith Mixed	1150 places available Overall surplus of 850 school places (73.9% of total school capacity). 180 places at entry point with 2 places unfilled.	No KS4 data available (school only opened in 2012)	New school not yet received Ofsted inspection	Moderate This is a new school which only opened in 2012 so is still filling its places in each year. There is a lack of current data to predict the impact on viability. However, the free school is unlikely to affect the long term viability of this school unless performance is shown to be poor and they fail to receive a good or outstanding Ofsted inspection.
Sion-Manning RC Girls' School	11-16 age range Voluntary Aided Roman Catholic Girls	1150 places available Overall surplus of 850 school places (73.9% of total school capacity). 180 places at entry point with 2 places unfilled	Well above national and LA averages with 87% of pupils achieved 5 A*-C inc English and maths	Good at 26/05/2011	Minimal Although there are unfilled places only two are at entry level the free school is unlikely to affect the long term viability of the school given the excellent exam results. The school is also a girls only Roman Catholic designated faith school and therefore will specifically attract girls of that

					faith.
The Cardinal Vaughan Memorial RC School	11-18 age range Voluntary Aided Roman Catholic Boys	905 places available no places unfilled 120places at entry point with no places unfilled	Well above national and LA averages with 92% of pupils achieved 5 A*-C inc English and maths	Outstanding at 13/09/2006	Minimal The free school is unlikely to affect the long term viability of the school given the school's excellent exam results and the outstanding Ofsted judgment which will continue to attract pupils. There are also no unfilled school places.
Saint Thomas More Language College	11-16 age range Voluntary Aided Roman Catholic Mixed	600 places available no places unfilled 120places at entry point with no places unfilled	Above national and LA averages with 73% of pupils achieved 5 A*-C inc English and maths	Outstanding at 13/10/2013	Minimal The free school is unlikely to affect the long term viability of the school given the school's good exam performance, and the outstanding Ofsted judgment which will continue to attract pupils. There are also no unfilled school places. In addition the school is Roman Catholic faith designated and will specifically attract pupils of that faith.
Impact on Local Colleges, Further Education Institutes and 16-19 providers					
School name	School type	Capacity	Attainment in 2012/13 at Level 3 (Average points score per academic student at level 3) Westminster Av = 726.3 England Av = 785.6	Ofsted grade	Impact rating
City of Westminster College	General Further Education College Non faith Mixed	3903 learners 54.8% of learners are aged 16-18 This is a large size college	The average points score per academic student at level 3 in 2013 is 607.1. This is well below	Good at 07/06/2013	Moderate Located very close to the free school and with poor attainment this may have an effect on the viability of the school, however only just above half of learner are aged 16-18 therefore

			average		this is not expected to have a significant effect on long term viability.
St Charles Catholic Sixth Form College	Sixth Form College (Voluntary Aided) Roman Catholic Mixed	1066 learners 99.9% of learners are aged 16-18 This is a medium size college	The average points score per academic student at level 3 in 2013 is 663.8. This is attainment is below below average	Outstanding at 10/10/2007	Minimum There may be a slight effect on the viability of the school given that nearly all learners are aged 16-18 and attainment is below average, however this is a designated Roman Catholic institute which will specially attract pupils of that faith. Therefore there is not expected to be a significant effect on long term viability.
Ealing, Hammersmith and West London College	General Further Education College Non faith Mixed	9143 learners 35% of learners are aged 16-18 This is a large size college	The average points score per academic student at level 3 in 2013 is 561.5 This is well below average	Satisfactory at 10/10/2007	Minimal Although attainment is below average and the Ofsted judgment is only satisfactory, the free school is unlikely to affect the long term viability given that most of the learners attending this institute are not within the 16-18 age group.
Kensington and Chelsea College	General Further Education College Non faith Mixed	10416 learners 4.6% of learners are aged 16-18 This is a large size college	No KS5 data	Satisfactory at 09/03/2012	Minimal The free school is unlikely to affect the long term viability given that nearly all of the learners attending this institute are not within the 16-18 age group.
Westminster Kingsway College	General Further Education College Non faith	9849 learners 30.0% of learners are aged 16-18 This is a large size	The average points score per academic student at level 3 in 2013 is 637.8	Good at 01/04/2011	Minimal Although attainment is below average the college is rated good by Ofsted and the majority of learners

	Mixed	college	This is below average		attending this institute are not within the 16-18 age group, therefore the long term viability is unlikely to be affected.
William Morris Sixth Form	Community Sixth Form School Non faith Mixed	802 learners 97.8% of learners are aged 16-18 This is a small size college	The average points score per academic student at level 3 in 2013 is 601.0 This is well below average	Not yet inspected by Ofsted	Minimal There may be a slight effect on the viability of the school given that nearly all learners are aged 16-18 and attainment is below average and this is a small sized institute. However this institute is nearly 3 miles away and out of the immediate catchment area.
Stem Academy	16-19 Free School Non faith Mixed	New school just opened no data on numbers	No KS5 data	Not yet inspected by Ofsted	Moderate There is a lack of current data to predict the impact on viability, however this institute is located over 3.5 miles away and out of the immediate catchment area. The long term viability therefore is unlikely to be affected. The impact will still be rated as moderate given the lack of data.
City and Islington College	General Further Education College Non faith Mixed	8412 learners 46.6% of learners are aged 16-18 This is a large size college	The average points score per academic student at level 3 in 2013 is 637.8 This is below average	Outstanding at 01/04/2011	Minimal Although attainment is below average the Ofsted judgment is outstanding and over half of learners attending this institute are not within the 16-18 age group. The institute is also over 3.5 miles away and out of the immediate catchment area. The long term viability therefore is unlikely to be affected.
The College of North West London	General Further Education College Non faith	5211 learners 23.9% of learners are aged 16-18 This is a large size	The average points score per academic student at level 3 in 2013 is 540.0	Satisfactory at 01/04/2012	Minimal Although attainment is below average and the Ofsted judgment only satisfactory over three quarters

	Mixed	college	This is well below average		of learners attending this institute are not within the 16-18 age group. The institute is also over 3 miles away and out of the immediate catchment area. The long term viability therefore is unlikely to be affected.
The Crest Sixth Form	Sixth Form Centres Non faith Mixed	No data on numbers	The average points score per academic student at level 3 in 2013 is 602.0 This is well below average	Not yet inspected by Ofsted	Moderate Apart from the low attainment, there is a lack of current data to predict the impact on viability, however this institute is located over 4 miles away and out of the immediate catchment area. The long term viability is therefore unlikely to be affected. The impact will still be rated as moderate given the lack of data.
