England ESIF 2014-2020 programme logos

The 2014-2020 logos for the England European Structural and Investment Funds (ESIF) Growth Programme, European Regional Development Fund (ERDF) and European Social Fund (ESF) have been approved. The ESIF logo is pictured (left). The logos have been made available to main stakeholders within interim branding and publicity guidance so it should become more visible in weeks and months ahead. In due course the guidance will be published on www.GOV.UK ESIF pages so that those who secure ESIF Growth Programme funding can access and use it.

Launch of 50+ Works Guide for Older Jobseekers

The Age and Employment Network (TAEN), the ESF Technical Assistance project which aims to help remove age barriers to employment, is launching its TAEN 50+ Works Guide for Older Jobseekers later this month. The Guide is the product of extensive research on the barriers older jobseekers face, the modern job market and the best techniques to navigate it. More information about the launch and issues relating to older workers is available in the TAEN

newsletter 50+Matters.

England 2014-2020 programme Twitter account

Once the new programme starts, colleagues in DCLG (ERDF Programme) and DWP (ESF Programme) will be using Twitter as one of the ways to share messages with partners. Our new user name is @esif1420england. The joint ESIF account has been set up ready for the launch and over the two week launch period (yet to be confirmed) we will be tweeting key messages every day. Please note these plans and be prepared to follow us and retweet.
