## The Housing Revenue Account Selffinancing Determinations

The Secretary of State as respects all local housing authorities in England, in exercise of the powers conferred by sections 168 to 175 of the Localism Act 2011, after consulting such representatives of local government and relevant professional bodies as appear to be appropriate, hereby makes the following determination:

## Citation and commencement

1.1 This document may be cited as the Housing Revenue Account Selffinancing Determinations. It includes:

- The Settlement Payments Determination, which includes the calculation of the self-financing valuation and the settlement payments that are required to implement self-financing of council housing
- The Limits on Indebtedness Determination, which includes the limit on the amount of housing debt that each local housing authority can hold and the formula by which this will be calculated
- The Housing Revenue Account Subsidy (Amendment) Determination 2011-2012
- Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 Amending Determination
- The Item 8 Credit and Item 8 (General) Debit Determination from 2012.
1.2 Subject to paragraph 1.3 the Housing Revenue Account Subsidy Determination 2011-2012 is hereby revoked.
1.3 The Housing Revenue Account Subsidy Determination 2011-2012 as amended by the Housing Revenue Account Subsidy (Amendment) Determination 2011-2012 shall continue to have effect for the purpose of the determination of Housing Revenue Account subsidy for the year beginning 1 April 2011.

## Interpretation

In these determinations, unless the context otherwise requires:
"1989 Act" means the Local Government and Housing Act 1989;
"authority" means a local housing authority in England;
"cluster" means a group of rooms in a house in multiple occupation serving as separate accommodation for 2 or more persons but sharing a common kitchen, bathroom and lavatory; where such a house accommodates 6 or less than 6 persons, this shall count as one cluster; where such a house accommodates more than 6 persons the number of clusters shall be calculated by dividing the number of persons by 6 , with any balance counting as one cluster;
subject to sub-paragraphs (2) and (3) of this definition, a "dwelling" means:
(1) (a) a building or part of a building which is provided for occupation by a single family unit (that is to say an individual or a family, in either case together with any lodger), or
(b) a cluster or a group of 3 bed spaces in a hostel (for this purpose the number of groups of bed spaces shall be calculated by dividing the number of bed spaces by 3 , with any balance counting as one dwelling),
to which section 74(1) of the 1989 Act for the time being applies, together with any yard, garden, outhouses and appurtenances belonging to or usually enjoyed with that building or part, and irrespective of whether or not the dwelling is occupied on 1 April;
(2) a dwelling which is put to another use which is not a permanent change of use shall continue to be treated as a dwelling for the purposes of this determination; however
(3) a dwelling falling within the description in paragraph (1)(a) or (b) of this definition shall not be treated as a dwelling for the purposes of this determination if it is either:
(a) an unoccupied dwelling which the authority has formally resolved should be demolished or disposed of and which is no longer available for letting; or
(b) a dwelling of which a lease has been granted under the rent to mortgage scheme.
> "HRA" means the Housing Revenue Account of the authority whose settlement payments and limit on indebtedness is under consideration

"local housing authority" - has the same meaning as in the Housing Act 1985
'self-financing" is a system for financing council housing that will replace the Housing Revenue Account subsidy system
"shared ownership lease" has the meaning given in section 622 of the Housing Act 1985
"financial year" means the period of 12 months beginning on 1 April.
References to another determination are to be read as references to that determination as amended or as revoked and replaced as the case may be.

In these determinations, unless the contrary intention appears, reference to an Act or Statutory Instrument is a reference to the Act or Statutory Instrument as amended.

## The Settlement Payments Determination 2012

The Secretary of State as respects all local housing authorities in England, in exercise of the powers conferred by sections 168 to 170 and 173 of the Localism Act 2011, after consulting such representatives of local government and relevant professional bodies as appear to be appropriate, makes the following determination:

## Citation and commencement

This determination may be cited as the Settlement Payments Determination 2012. It has effect from 28 March 2012.

1 The self-financing valuation
1.1 A self-financing valuation of each local housing authority's council housing stock has been made using a discounted cash flow model of each authority's social housing business.
1.2 This model is based on assumptions made by Government about the rental income and expenditure required to maintain each council's council housing stock over 30 years.
1.3 More detail on the methodology and the assumptions used in the self financing valuation are available in the following documents which are published alongside this determination:

- The baseline model used to calculate the rents in 2012-2013 and some other allowances
- Commentary on the baseline model
- The self-financing model used to calculate the self-financing valuation
- Commentary on the self-financing model.

The following documents have been published previously and are available on the DCLG website for reference:

- Report on the model inputs, assumptions and outputs
- User guide to accompany the self-financing model.

## 2 Notional housing borrowing (SCFR)

2.1 The Subsidy Capital Financing Requirement (SCFR) for each local housing authority is the SCFR calculated in the Housing Revenue Account Subsidy Determination 2011-2012 adjusted to take account of the following:

- any special determinations issued since the Housing Revenue Account Subsidy Determination 2011-2012 was published
- information provided by local authorities in the 2011-2012 subsidy claim forms
- the 2012-2013 base data forms
- adjustments for transfers and appropriations not already captured.
2.2 The SCFR for each local housing authority is shown on the "debt com" sheet of the baseline model.

## 3 Settlement payments

## PAYMENTS TO THE SECRETARY OF STATE

3.1 Where the self-financing valuation for a local housing authority is greater than the SCFR for that authority, the authority must pay to the Secretary of State the amount by which the self financing valuation exceeds the SCFR. Where the SCFR is a negative amount it has been treated as nil for the purposes of this calculation.
3.2 The local housing authorities required to make a payment to the Secretary of State on or before 28 March 2012 and the amounts payable are set out at Annex A to this determination. Payments must be made as cleared funds via electronic banking transfers on or before 28 March 2012.

## PAYMENTS TO LOCAL HOUSING AUTHORITIES

3.3 Where the self-financing valuation for a local housing authority is less than the SCFR for that authority, the Secretary of State will make a payment to the authority equal to the amount by which the SCFR exceeds the self financing valuation.
3.4 Payments will be made on 28 March 2012 as follows and in this priority until the full payment has been made:

PUBLIC WORKS LOAN BOARD LOANS
3.4.1 The Secretary of State will redeem an equal percentage of all Public Works Loan Board (PWLB) loans held by the authority. The percentage for each authority will be calculated according to the value of PWLB loans held by the authority on the date of the transaction. Annex $B$ to this determination lists the local authorities to which this applies and the amounts for payment by the Secretary of State.
3.4.2 Any charges for the early repayment of these loans will be met by the Secretary of State. The Secretary of State will set any discounts for early repayment of loans against these charges.

## AUTHORITIES WHERE THE SETTLEMENT PAYMENT IS GREATER THAN THE VALUE OF LOANS HELD WITH PWLB

3.4.3 Where an authority's PWLB debt is less than the settlement payment, the Secretary of State will redeem all the loans held with the PWLB and pay the balance of the settlement payment to the local authority.
3.4.4 Local authorities will be required to use this balance payment in accordance with conditions stipulated in letters issued by the Secretary of State to local authorities receiving these payments.

## The Settlement Payments Determination 2012 - Annex A

## Settlement Payments to the Secretary of State

This table lists the local housing authorities required to make settlement payments to the Secretary of State on or before 28 March 2012 and the amount of these payments.

## Limits on Indebtedness Determination 2012

The Secretary of State as respects all local housing authorities in England, in exercise of the powers conferred by sections 171 and 173 of the Localism Act 2011, after consulting such representatives of local government and relevant professional bodies as appear to be appropriate, makes the following determination:

## 1 Formula for the calculation of the amount of housing debt held by the authority

1.1 The amount of housing debt held by an authority is defined as the HRA Capital Financing Requirement (HRA CFR). It is calculated in accordance with the formula at annex $A$ to this Determination.

## 2 The limit on the amount of housing debt that each authority can hold

> 2.1 The maximum amount of housing debt that each authority may hold, calculated in accordance with the definition at paragraph 1.1 above, is the higher of the amounts set out in paragraphs 2.2 and 2.3 .
2.2 The self-financing valuation for the authority plus any capital financing provided by the authority before 1 April 2012 to support a new build scheme under a contract with the Homes and Communities Agency (this is defined at paragraph 2.6 below).
2.3 The closing HRA CFR on 31 March 2012, calculated in accordance with the formula in the Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 Amending Determination [2012]. For the avoidance of doubt this figure includes the effects of settlement payments received from or paid to the Secretary of State.
2.4 Following the approach described in paragraph 2.1 the maximum amount of housing debt that can be held by each authority is listed at annex $B$ to this determination.
2.5 An authority will be in breach of the limit if its housing debt exceeds the amount specified in annex B on the final day of 2012-2013. In subsequent years, an authority will be in breach of the limit if its housing debt exceeds the amount specified in annex B on the final day of the financial year.
2.6 Capital financing to support new build is defined as the capital contribution agreed in contracts with the Homes and Communities Agency for new build schemes and which has been provided to those schemes prior to 1 April 2012. It does not include the value of any land that the local authority has put into a scheme.

# Limits on Indebtedness <br> Determination 2012 - Annex A 

## Calculation of the Housing Revenue Account Capital Financing Requirement (HRA CFR)

## Opening HRA CFR 1 April 2012

This is the closing HRA CFR on 31 March 2012 as defined in paragraph 8 of the Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 Amending Determination [2012].

## Closing HRA CFR 31 March 2013

The closing HRA CFR for 31 March 2013 will be calculated as follows:

## OPENING HRA CFR ON 1 APRIL 2012 PLUS

the capital expenditure of the local authority financed by borrowing or credit arrangements which was incurred during the 2012-2013 financial year on any interest in housing land; and the certified value of any interest in a dwelling or housing land which commenced or recommenced to be accounted for in the Housing Revenue Account during the 2012-2013 financial year for a reason other than acquisition by the local authority;

## LESS

such part of any capital receipt from the disposal of an interest in housing land which was used during the 2012-2013 financial year to repay the principal of any amount borrowed by the local authority or to meet any liability in respect of credit arrangements;
the amount of any payment made by the Secretary of State to the PWLB as a result of the disposal of housing land less the part used to pay premiums on the early redemption of loans;
the certified value of any interest in a dwelling or housing land, that ceased to be accounted for in the Housing Revenue Account in the 2012-2013 financial year other than by virtue of disposal by the local authority;
the amount of the provision for the repayment of the principal of any amount borrowed by the local authority or the meeting of any liability in respect of credit arrangements which the local authority determined during the 2012-2013 financial year to make from the Housing Revenue Account; and,
the amount of the provision for the repayment of the principal of any amount borrowed by the local authority or the meeting of any liability in respect of credit arrangements which the local authority determined during 2012-2013 financial year to make from the major repairs reserve.

## The opening HRA CFR in subsequent years

The opening HRA CFR on 1 April for subsequent years is the closing HRA CFR on the previous day, that is 31 March of the previous financial year.

## The closing HRA CFR in subsequent years

The closing HRA CFR for subsequent years will be calculated as follows:

## THE OPENING HRA CFR ON 1 APRIL OF THAT FINANCIAL YEAR PLUS

the capital expenditure of the local authority financed by borrowing or credit arrangements which was incurred during the current financial year on any interest in housing land; and the certified value of any interest in a dwelling or housing land which commenced or recommenced to be accounted for in the Housing Revenue Account during the current financial year for a reason other than acquisition by the local authority;

## LESS

such part of any capital receipt from the disposal of an interest in housing land which was used during the current financial year to repay the principal of any amount borrowed by the local authority or to meet any liability in respect of credit arrangements;
the amount of any payment made by the Secretary of State to the PWLB as a result of the disposal of housing land less the part used to pay premiums on the early redemption of loans;
the certified value of any interest in a dwelling or housing land, that ceased to be accounted for in the Housing Revenue Account during the current financial year other than by virtue of disposal by the local authority;
the amount of the provision for the repayment of the principal of any amount borrowed by the local authority or the meeting of any liability in respect of credit arrangements which the local authority determined during the current financial year to make from the Housing Revenue Account; and
the amount of the provision for the repayment of the principal of any amount borrowed by the local authority or the meeting of any liability in respect of credit arrangements which the local authority determined during the current financial year to make from the major repairs reserve.

## Limits on Indebtedness Determination 2012 - Annex B

## Maximum amount of housing debt that can be held by each local authority

This table lists the limit on indebtedness for each local authority. The limits for consultation in November are indicative amounts based on the methodology described in paragraph 2.1 of this determination and using estimates of the closing HRA CFR for 2011-2012.

| Local authority | Valuation <br> £'000 | Capital financing to support HCA new build scheme <br> £'000 | Total 1 <br> $£^{\prime} 000$ | Settlement payment <br> $£^{\prime} 000$ | Forecast end-year HCFR (excluding settlement payment) <br> $£^{\prime} 000$ | Total 2 <br> $£^{\prime} 000$ | Forecast borrowing cap <br> £'000 |

## The Housing Revenue Account Subsidy (Amendment) Determination 2011-2012

The Secretary of State as respects all local housing authorities in England, in exercise of the powers conferred by sections 80 and 87 of the Local Government and Housing Act 1989, after consulting such representatives of local government and relevant professional bodies as appear to be appropriate, hereby makes the following determination:

## Citation and commencement

This determination may be cited as the Housing Revenue Account Subsidy (Amendment) Determination 2011-2012 and has effect for the year beginning 1 April 2011.

The Housing Revenue Account Subsidy Determination 2011-2012 shall be amended as follows:

Paragraph 3.1 shall be deleted and replaced with:
3.1 The amount of Housing Revenue Account subsidy payable to an authority for 2011-2012 shall be calculated as follows:
amount of subsidy = (allowance for management + allowance for maintenance + allowance for major repairs + support for decent homes borrowing + PFI allowance + charges for capital + other items of reckonable expenditure) (rent + interest on receipts),
plus, where the authority is making a self-financing settlement payment to the Secretary of State, the interest payable on the payment between 28 March 2012 and 31 March 2012. This will be calculated by applying the appropriate PWLB interest rate to the authority's settlement payment;
or,
where the authority is receiving a self-financing settlement payment from the Secretary of State, minus the interest that would have been due on the payment between 28 March 2012 and 31 March 2012. This will be calculated using the authority's Consolidated Rate of Interest.
provided that where the calculation results in a negative figure, that amount of negative subsidy is payable by an authority to the Secretary of State.

In paragraph 5.3 the following paragraph shall be deleted:
'"capital financing requirement" will mean the amount determined as the capital financing requirement in the "Prudential Code for Capital Finance in Local Authorities" published by CIPFA, as amended or reissued from time to time, minus any elements arising from PFI schemes'
and replaced with
'capital financing requirement' as referred to in paragraphs 5, 6 and 7 of the Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 will mean the amount determined as the capital financing requirement in the "Prudential Code for Capital Finance in Local Authorities" published by CIPFA, as amended or reissued from time to time, minus any elements arising from PFI schemes, as adjusted to exclude the settlement payment to the Secretary of State or the reduction in borrowing requirement resulting from any loan repayments made by the Secretary of State as part of the self-financing settlement.

# The Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 Amending Determination 201[2] 

The Secretary of State as respects all local housing authorities in England, in exercise of the powers conferred by section 87 of, and item 8 of Part I and item 8 of Part II of Schedule 4 to, the Local Government and Housing Act 1989 after consulting such representatives of local government and relevant professional bodies as appear to be appropriate, hereby amends the Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 as follows:-

## Citation and commencement

This determination may be cited as the Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 Amending Determination 201[2]. It amends the Item 8 Credit and Item 8 Debit (General) Determination 20112012 for the year beginning 1 April 2011.

The Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 shall be amended as follows:

Paragraph 4.1 shall be deleted and replaced with:
'4.1 The sum to be debited to the HRA under item 8 of Part II of Schedule 4 to the 1989 Act shall be calculated as follows:
item 8 debit = capital asset charges + debt repayment and management costs + capital asset charges accounting adjustment + transfer to Major Repairs Reserve + PFI scheme payments
plus, where the local authority is required to make a selffinancing settlement payment to the Secretary of State, the interest payable on any loans taken out in advance to make the payment and the interest payable on the self-financing settlement payment between the date the payment is made to the Secretary of State and 31st March 2012; or
less the reduction in interest due to loans repayments made by the Secretary of State for the self-financing settlement where the local authority is receiving a self-financing settlement payment from the Secretary of State.
where an amount for:
capital asset charges is calculated in accordance with paragraph 4.3;
debt repayment and management costs is calculated in accordance with paragraph 4.4;
the capital asset charges accounting adjustment is calculated in accordance with paragraph 4.5;
the transfer to Major Repairs Reserve is calculated in accordance with paragraph 4.6;

PFI scheme payments are calculated in accordance with paragraph 4.7; and
the interest payable on any loans for the self-financing settlement is as set out in paragraph 4.9'

After paragraph 4.8 the following paragraph shall be inserted:
'4.9 The interest on any loans taken out to pay the Secretary of State for the self-financing settlement shall be the actual interest charged on the loan between the later of the date the loan is taken out or 15 November 2011 [date of Royal Assent] and 31 March 2012.'

In paragraph 5.1 the following paragraph shall be deleted:
' $\mathrm{M}=$ the amount outstanding during 2011-2012 by way of money borrowed by the authority (calculated on a weighted average basis which takes into account fluctuations in such amounts outstanding during the year);'
and replaced with:
' $\mathrm{M}=$ the amount outstanding during 2011-2012 by way of money borrowed by the authority (calculated on a weighted average basis which takes into account fluctuations in such amounts outstanding during the year). This figure is to exclude both the amount of any loans taken out to pay the settlement payment to the Secretary of State and the repayments of loans made by the Secretary of State as part of the selffinancing settlement;'

In paragraph 5.1 the following paragraph shall be deleted:
' capital financing requirement" means the amount determined as the capital financing requirement in the "Prudential Code for Capital Finance in Local Authorities" published by CIPFA, as amended or reissued from time to time, minus any elements arising from PFI schemes'
and replaced with:
' capital financing requirement' referred to in paragraphs 5, 6 and 7 of this determination means the amount determined as the capital financing requirement in the "Prudential Code for Capital Finance in Local Authorities" published by CIPFA, as amended or reissued from time to time, minus any elements arising from PFI schemes, as adjusted to exclude the settlement payment to the Secretary of State or the reduction in borrowing requirement resulting from any loan repayments made by the Secretary of State as part of the self-financing settlement.'

After paragraph 7.3 the following paragraph shall be inserted:

## 'Closing Housing Revenue Account Capital Financing Requirement (HRA CFR) on 31 March 2012

8 The closing HRA CFR on 31 March 2012 is calculated as
follows:

## OPENING HOUSING REVENUE ACCOUNT CFR ON 1 APRIL 2011

 PLUS:the capital expenditure of the local authority financed by borrowing or credit arrangements which was incurred during the 2011-2012 financial year on any interest in housing land. This amount excludes any self-financing settlement payment to the Secretary of State in accordance with the Settlement Payments Determination 2012:
the certified value of any interest in a dwelling or housing land which commenced or recommenced to be accounted for in the Housing Revenue Account in the 2011-2012 financial year for a reason other than acquisition by the local authority; and
where the local authority has made a self-financing settlement payment to the Secretary of State in accordance with the Settlement Payments Determination 2012, the amount of that payment.

## LESS:

such part of any capital receipt from the disposal of an interest in housing land which was used during the 2011-2012 financial year to repay the principal of any amount borrowed by the local authority or to meet any liability in respect of credit arrangements;
the certified value of any interest in a dwelling or housing land, that ceased to be accounted for in the Housing Revenue Account during the 2011-2012 financial year other than by virtue of disposal by the local authority;
the amount of the provision for the repayment of the principal of any amount borrowed by the local authority or the meeting of any liability in respect of credit arrangements which the local authority determined during the 2011-2012 financial year to make from the Housing Revenue Account;
the amount of the provision for the repayment of the principal of any amount borrowed by the local authority or the meeting of any liability in respect of credit arrangements which the local authority determined during the 2011-2012 financial year to make from the major repairs reserve;
the amount of any payment made by the Secretary of State in 2011-2012 to the Public Works Loan Board as a result of the disposal of housing land by the authority less the part used to pay premiums on the early redemption of loans; and
where the local authority has received a self-financing settlement payment from the Secretary of State in accordance with the Settlement Payments Determination 2012, the amount of that payment. The self financing payment includes both loan repayments made to the PWLB on behalf of the authority and payments made direct to the authority.'

## The Item 8 Credit and Item 8 Debit (General) Determination from 1 April 2012

The Secretary of State as respects all local housing authorities in England, in exercise of the powers conferred by section 87 of, and item 8 of Part I and item 8 of Part II of Schedule 4 to, the Local Government and Housing Act 1989 after consulting such representatives of local government and relevant professional bodies as appear to be appropriate, hereby makes the following determination:

## Citation and commencement

1.1 This determination may be cited as the Item 8 Credit and Item 8 Debit (General) Determination. It has effect from 1 April 2012 for the year 20122013 and subsequent years.
1.2 Save for the purpose of the determination of the Item 8 credit and Item 8 debit for the year beginning 1 April 2011 the Item 8 Credit and Item 8 Debit (General) Determination 2011-2012 is hereby revoked.

## Item 8 of Part I - Credit to the Account

The sum to be credited to the HRA under item 8 of Part I of Schedule 4 to the 1989 Act shall be calculated as follows for the year 2012-2013 and the four subsequent years:

> Item 8 Credit = interest on HRA Capital Financing Requirement + Interest on notional cash balance + Interest on loans for purchase of HRA properties + discounts for early repayment of debt + PFI subsidy payments + transfer from major repairs reserve + impairments adjustment

From the year 2017-2018 the sum to be credited to the HRA under item 8 of Part I of Schedule 4 to the 1989 Act shall be calculated as follows:

> Item 8 Credit = Interest on HRA Capital Financing Requirement + Interest on notional cash balance + Interest on loans for purchase of HRA properties + discounts for early repayment of debt + PFI subsidy payments
where:

Interest on the HRA Capital Financing Requirement is calculated in accordance with proper accounting practice. It is nil where the calculation results in a positive amount.

Interest on notional cash balance means the notional cash balance attributed to the HRA, the HRA Repairs Account and the Major Repairs Reserve and is calculated in accordance with proper accounting practice. It is nil where the calculation results in a positive amount.

Interest on loans for purchase of HRA properties is the interest receivable by the authority during the year in respect of any loan (including a part of the purchase price left outstanding) made to enable the borrower to acquire a dwelling within the HRA.

PFI subsidy payments are payments made to an authority by DCLG for HRA Private Finance Initiative (PFI) schemes approved by the Secretary of State that are a service concession within the meaning of IFRIC $12^{[a]}$, such that in accordance with proper accounting practice the provisions of IFRIC 12 need to be considered.

Transfer from Major Repairs Reserve is a transfer from the Major Repairs Reserve. Where depreciation for dwellings within the authority's HRA, excluding the authority's share of any dwelling subject to a shared ownership lease, calculated in accordance with proper practices, is greater than the Major Repairs Allowance (MRA) it is equal to the difference between depreciation and the MRA.

The MRA is equal to the assumption about the need to spend on major repairs for each authority used in the self-financing valuation for 2012-2013 and each of the next four years.

Transfer from Major Repairs Reserve has been included on a transitional basis to allow local authorities time to develop a component-based approach to depreciation.

Impairments Adjustment allows local authorities to reverse impairment charges out of the HRA in the Statement of Movement on the HRA balance sheet where the HRA revaluation reserve cannot meet the impairment charge. This applies for a transitional period for the year 2012-2013 and the four subsequent years.

Discounts for early repayment of debt are calculated in accordance with proper accounting practice.

[^0]
## Item 8 of Part II - Debit to the Account

The sum to be debited to the HRA under item 8 of Part II of Schedule 4 to the 1989 Act shall be calculated as follows:

Item 8 debit = interest on loans + depreciation of dwellings + depreciation of non dwellings + debt repayments + charges under credit arrangements + interest on notional cash balance + debt management expenses + premiums for early repayment of debt + transfer to Major Repairs Reserve + impairment charges
where:

Interest on loans means the interest on loans, both external and internal, in relation to the HRA Capital Financing Requirement and is calculated in accordance with proper practices.

Depreciation on both council dwellings and other assets within the HRA should be calculated in accordance with proper accounting practice.

Debt repayments are where authorities choose to repay debt from the HRA.
Charges under credit arrangements mean charges related to the financing of capital expenditure on any interest in housing land where authorities make payments in accordance with sections 7 and 8 of the Local Government Act 2003. PFI scheme payments which are "on balance sheet" are included here. However where such payments are "off balance sheet" they are properly debited under item 1 or Item 3 of Part II of Schedule 4 to the 1989 Act. PFI scheme payments made to contractors under an HRA PFI scheme in respect of housing land which is no longer in the authority's HRA are not PFI scheme payments for the purposes of this determination.

Interest on notional cash balance means the interest charged on the debits and liabilities of the HRA. It is calculated in accordance with proper accounting practice and is nil where the authority has a credit balance.

Debt management expenses are a proportion of the authority's debt management expenses for the year calculated in accordance with proper practices to reflect the proportion which the HRA should bear.

Premium charges for early repayment of debt are calculated in accordance with proper accounting practice.

Transfer to Major Repairs Reserve. Where decent homes backlog funding has been credited to the HRA in accordance with a direction made by the Secretary of State under item 9 of Part I of Schedule 4 to the 1989 Act, then a debit equal to this amount must be made to the HRA under item 8 and transferred to the credit of the Major Repairs Reserve.
In addition an authority may wish to transfer an amount in excess of any charge for depreciation to its Major Repairs Reserve.

Impairment charges means any impairment charges in respect of land, houses or other property within the authority's HRA calculated in accordance with proper accounting practice where the HRA Revaluation Reserve cannot meet the impairment charge.
