

FOI Release
Information released under the Freedom of Information Act

Title: Number of European patents validated in the UK

Date of release: 23 September 2014

Information request:

1: the total number of granted European patents which were validated in the UK in 2013; and

2: how many of those were to UK applicants?

If there is data available for any previous years, then that would also be greatly appreciated.

Information released:

Year	Number of Granted EP(GB)s	Number from GB Applicants
2013	64268	2001
2012	62455	1965
2011	58359	1916
2010	54102	1800
2009	48288	1627
2008	55623	1926
2007	50837	1843
2006	58349	2137
2005	49501	2027
2004	54467	2352
2003	55519	2450
