Date: 17 November 2015

Dear Dr Haley

Request for more time to determine your application

**Application reference: PR2TSE10760
Operator: Magnox Limited
Facility: Bradwell Site**

We need more time to determine your application because following a high level of public interest and a significant number of representations submitted regarding your applications we are treating Bradwell as a site of high public interest. We have decided to extend the determination period to allow for another round of public engagement and will publish our 'minded to' draft decision documents and draft permits for interested parties to comment on.

Therefore we propose that the determination should now take place by 1 February 2016,

If you agree to this please either email me at bill.greenwood@environment-agency.gov.uk or sign and date the attached form and return it to us at the address below. The current determination date for this application is the 5 December 2015 so please respond as soon as possible. ...

If you're not able to agree to this proposal please phone me on 02030 253188

Yours sincerely

**Bill Greenwood.

Date: 29 January 2016

Dear Dr Haley

Request for more time to determine your application

**Application reference: PR2TSE10760
Operator: Magnox Limited
Facility: Bradwell Site**

We need more time to determine your application. The main reason for this are the delays in seeking and receiving clarification of the modeling in support of your application and the complexity of applying the results to habitats assessments which now have to incorporate advice only recently published by Natural England.

We have to give Natural England at least one month to respond to our formal consultation and after that there will be a further delay because we have promised a second round of public consultation including a further month to allow for representations to be made. If there are significant ones we may need further time to consider these before making our final decision.

Therefore we propose that the determination should now take place by 1 June 2016,

If you agree to this please either email me at bill.greenwood@environment-agency.gov.uk or sign and date the attached form and return it to us at the address below. If you're not able to agree to this proposal please phone me on 02030 253188

Yours sincerely
